== Cast And Crew Sightings ==

It's the weekend so as you can imagine there aren't many sightings. Definitely some personal stuff posted but nothing campaign related so I'll leave it out. Couple things I didn't know you could do was look at peoples likes on twitter, and now I know how to be a proper stalker if I ever wanna get into that kinda thing, which I don't, let me tell you.

That being said, these are to make people feel warm fuzzies so here we are!

Alex Sherman is out here liking our tweets all over the place! He's been doing it for days, just sweet to see the support.

Kristian Nairn sending love and support to fans on their art!

== Talking About the shows Creativity ==

If you wanna talk about the shows creativity, referencing some of the awesome show-crew like Ra Vincent, Production Designer for OFMD can be great! Here's [Ra Vincent's site](#) Great inspiration and pictures to use to show off to the networks. Please be sure to credit them just like anything else you're using.

Other great crew members for inspiration: [Gypsy Taylor](#) Costume Designer/Stylist!

== Petition Update ==

We hit 82,000!! Definitely things slowing down, but I think in general we're focusing more on going after specific platforms (not saying more signatures isn't good, just saying we seem to have shifted priorities)

82,059 Signatures **150,000** Next Goal

👤 465 people signed today

Thanks to your support this petition has a chance at winning! We only need 67,941 more signatures to reach the next goal - can you help?

Take the next step!

== Articles ==

I didn't see any new articles today, but I did see one I didn't notice the other day so I'm including it now:

- [Why Our Flag Means Death's Cancellation Should Make You Angry](#)

==OurFlagMakesADifference==

I had a couple people ask about what's going on with some fan led Palestine Efforts so I'm linking the current thread from Our Flag Makes A Differences Resource thread on [Twitter](#). I know there is a great tumblr thread but tumblr search sucks so please share it with me if you have it!

== Love Notes ==

Just a little reminder for tonight--- you deserve happiness. You deserve kindness, and grace and you deserve a break from all the stressors that bug you on a day to day basis.

Sometimes it's other people who can give you that break, and sometimes the only person who can give it to you is you.

If you can, talk a little nicer to yourself today, give yourself a little extra time curled up in bed, or watch an extra episode of your favorite show.

Remember to give yourself some love too, lovelies.

You deserve it. You're gonna be okay.
