03/14/2024:

Our Friends at Tv Insider wrote a very awesome quote regarding the cancellation of OFMD while

talking about Rhys Darby and his appearance in the new Night Court series.

"Night Court marks Darby's first TV appearance since *Our Flag Means Death* ended in October 2023 and was criminally canceled in January. While we're still grieving that loss, it's great to see Darby in another romantic and comedic role so soon."

Lot of articles tonight yall. Remember that every one of these shows you made an impact. It sucks cause a lot of them say "failed to find a home" which isn't true, we were robbed of one. But they still matter. The fact that they wrote anything at all shows we've been making waves. You still have power, as Chaos dad said. They didn't take that from you.
