01/21/2024 Crew Recap

Well holy shit all.

We finally fucking did it! **We hit 75,000 signatures!** That's crazy! The next goal line is literally twice that, and I know it seems daunting but don't give up, the more we get the more we show how much people want OFMD picked back up! We don't have to make that goal to show how passionate we are, we already have!

Started August 30, 2023
Petition to [HBO](#)

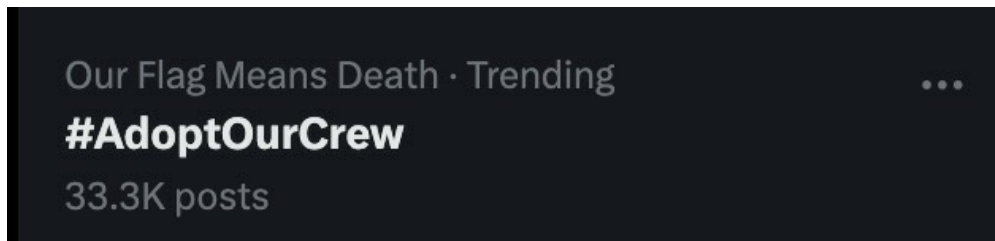

75,038 Signatures 150,000 Next Goal

3,530 people signed today

Thanks to your support this petition has a chance at winning! We only need 74,962 more signatures to reach the next goal - can you help?

Take the next step!

I know it feels like we've been doing this forever (12 days can you believe it?) but the scuttlebutt around deck is that we are making waves, and it's good to keep up the engagements so studio execs can see just how much we care!

We've been kicking ass on the #AdoptOurCrew hashtag on twitter and other platforms

Samba had a baby!

sambaschutte What a whirlwind the past 10 days have been. We are over the moon to be blessed with a beautiful child, a tidal wave of love, a gracious gift of God 🙏🏻

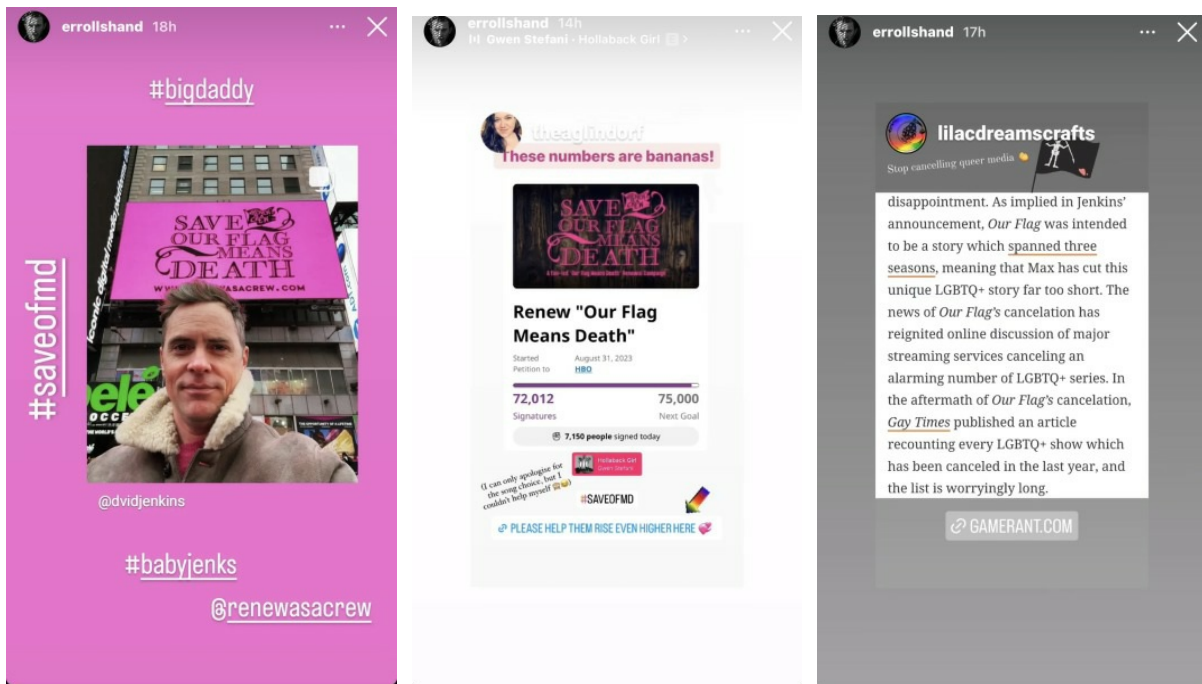

I'm in awe of my love Aria and the strength, resilience and power she exuded- a warrior queen who faced her greatest challenges with faith, determination and an open heart. I'm so proud of her, I'm so proud of our son 🧡

The news of OFMD's cancellation arrived the same day my baby was busy being born. Oh the universe's dance between life and death, endings and beginnings, powerlessness and courage, old and new, love and sadness. I love you OFMD fans, I see you and I'll always be grateful for you 🙏🏻

But as I celebrate my 13 years in Los Angeles, now more than ever, I know what matters most is love: the feeling, the gratitude, the opportunity to live love, give love and share love. Life ebbs and flows, but the Ocean of love will always be there for us to submerge in. 🌊

I'm overjoyed, I'm humbled, I'm exhausted, I'm grateful and I can't wait to keep Life full of love. But first, there's a diaper full of something waiting for me 🙏🏻

Also, Errol Shand (Ricky) has just been promoting the crap out of SaveOFMD Stuff on his IG so I just had to shout out to him here. What a guy.

=Cross Fandom Watch Party!=

Looks like there's gonna be some cross fandom watch parties on twitter you're welcome to tune in for Jan 23-26 on twitter. They'll be watching good omens in an effort to try and get engagement up with PrimeVideo. It sounds like it'll be similar to the LubeAsACrew but with Good Omens fans! Thank you to @Dandeebakes on Twitter for getting these organised!

Hashtags to use: #PirateOmens #AdoptOurCrew #SaveOFMD, and helps to @PrimeVideo

These lovely folks have a full week wrap up if you wanna check it out [here!](#)

A wonderful note from @RedsiesWorld on Twitter, something to remember is we are in fact fighting for our crews jobs as well (not just s3) and you're kicking ass!

So all in all, 12 days of Polite Menacing has been BAT SHIT INSANE and every one of you should feel super fucking proud of all the hard work. This is a break checkpoint however ---**PLEASE TAKE A BREAK IF YOU NEED IT (or even if you don't think you do).** It's super important you take care of yourself! No one on the crew is going to be upset or disappointed that you took a break! We all are contributing in our own ways, so no need to worry if you're not doing the same as someone else! You are doing plenty!

Remember:

- Drink Plenty of Water (Hydrate!)
- Eat something good for you!
- Get Some Sleep!
- Do something Creative that makes you happy!
- Go outside for a few minutes! (weather permitting)

Shit is hard, life's a dick, but you are stronger and more capable than you can possibly imagine, and you've got 10's of thousands of people out here rooting for you. All the love folks, wherever you are, whatever you're doing. **You are wonderful and you are enough** <3

Tonight's random Rhys picture is what I can only assume is Murray getting a leaf blower blown in his face. You're welcome.
