== Cast & Crew ==

The Crew section is a hefty one today, so buckle up buttercup it's gonna be a chaotic and heartwarming ride.

Okay so, yesterday we had that lovely message that was edited from our beloved captain. But then our dear friend [@meowzawowaza_](#) over on twitter released yet another part of the video that specifically went over Rhys' frustrations with the cancellation. Now it's less positive, but as she says, it adds another layer that is helping rally the troops to keep fighting. Here's the thread with the [videos](#).

Apologies if you don't have twitter... I don't have a link outside of there at the moment. If I find one, I'll update it here.

Maybe it's important that the fandom actually get to see/hear what Rhysie had to say outside of how he remains optimistic and positive. It adds an extra layer and reminds us why we're fighting. I'll share clips in this 🧵

THEN because she's awesome, our lovely [@lucyrosebutler](#) decided to share the cameo she had gotten previously.

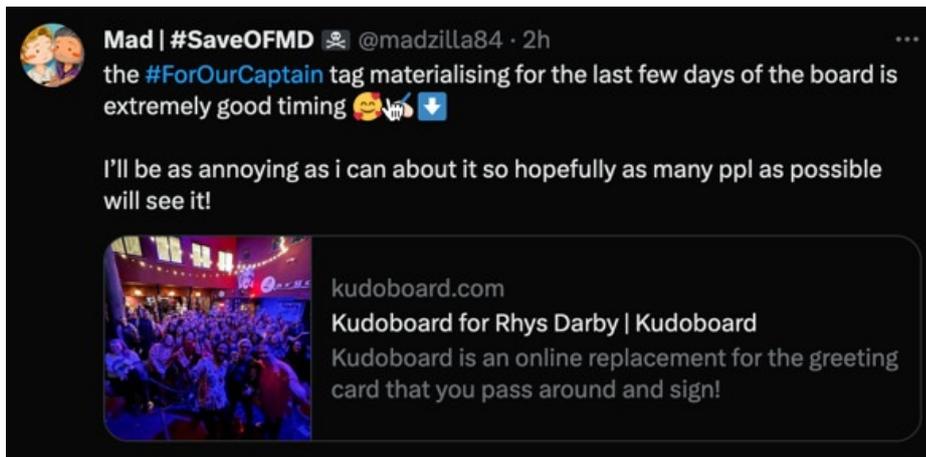

Which he ended with, "Yeah, you be you, keep rock'n, and yeah, you be you, and do it loudly."

Before continuing with the cast & crew...

== Kudosboard! ==

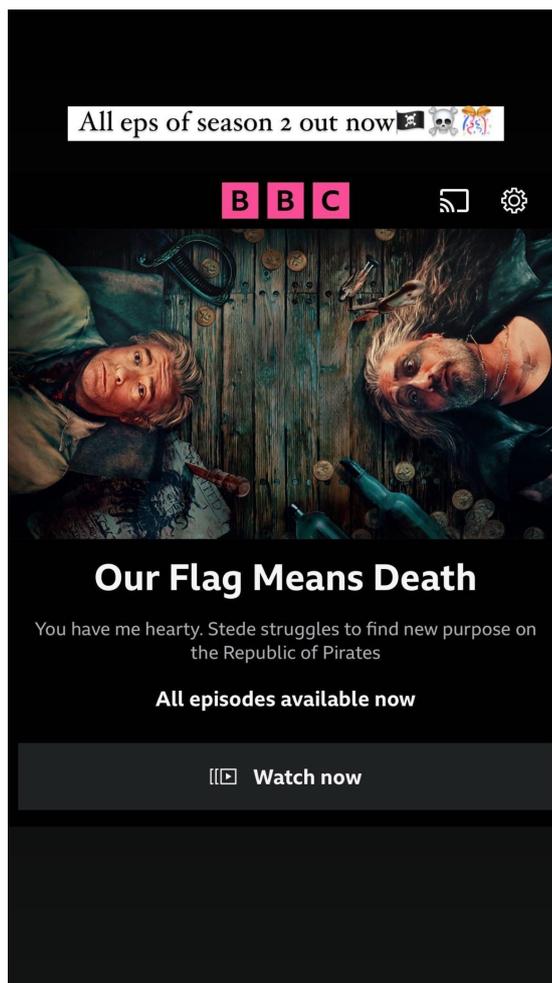

Wanna send our lovely captain, Rhys, some kudos and love after all he's given us, especially the last two days? You can do so over on [kudoboard.com](https://www.kudoboard.com)! Then because our entire cast and crew is a pile of goofballs, Rhys and Samba shared

this little exchange on twitter:

The screenshot shows a tweet by Samba Schutte (@sambaschutte) from 9 hours ago. The tweet text reads: "UK Crew- all eps of season 2 now available on @BBCiPlayer 🏴‍☠️ Let's celebrate this special show 🍷❤️ #OurFlagBBC #OurFlagMeansDeath". Below the text is a promotional card for the TV show "Our Flag Means Death". The card features the BBC logo, a photo of two characters from the show, and the text: "Our Flag Means Death", "You have me hearty. Stede struggles to find new purpose on the Republic of Pirates", "All episodes available now", and a "Watch now" button. To the right of the card is a photograph of the show's cast members sitting around a table on a set, with a whiteboard in the background.

= Wee John ~~Wednesday~~ Monday! =

And well, then there was Wee John Wednesdays Monday! Where we not only got to see the expected three cast members: Kristian Nairn, Vico Ortiz, and Madeleine Sami, but a SURPRISE guest, Leslie Jones who crashed the Instagram live party.

You can watch the whole thing on [Kristian Nairn's IG Here](#). WHICH I highly recommend because it was an absolute blast and got so many of us pumped and ready for more. Some highlights that absolutely cannot describe the pure and wonderful chaos were:

- Rocket Jousting
- Leslie fucking every alien in space
- Leslie wants to come to a convention
- Horny pickle ball
- Jenkins is on board for s3 if it happens
- They see how hard we're working on SaveOFMD and they said "they deserve it" (s3) and "so do we!"
- Mads just randomly runs into Taika on the beach
- [Gypsy made a chest binder for all Vico's outfits @edscuntyeyeshadow](#) ty for the screenshots here on tumblr

Oh and David Fane popped in because he's a gem of a human being. Thanks [@madzilla84](#) for catching that!

There was a huge outpouring of love for Taika Waititi and Rhys Darby's warm-hearted pirate romcom after [news of its cancellation](#) last month, but here comes its second and last season to mend those broken hearts. Talking of which, Blackbeard has gone off the rails as he pines after Stede, who is so poor he has started working for the fabulous Spanish Jackie. **Hannah Verdier**

== Morale / Love Notes ==

So normally I just want to say all the things about how lovely you all are, but Rhys posted YET ANOTHER video on cameo tonight, and I feel like his voice is the sunshine we all need. The longer one up, is dedicated to LGBTQIA+ folks with some anecdotes from Rhys' childhood, and another specific to the crew for this show (it's about 3 mins 10 seconds long). [Please take a few minutes to go watch them](#), you don't need a log in or anything for them. It's just worth it to hear our lovely captain say nice things.

Goodnight lovelies, it was a LOOONG day today, please go get some rest. Love you.
