Today's WWDITS watch party went great!

Lots of people had fun pointing out our lovely characters from the show (Mads, Taika, Rhys)

It actually went so well the SaveOFMDCrew twitter got banned! It's back though! If you can, please be sure to follow their [backup account](#) in case it happens again.

This was technically the 5th, but I don't think the excitement happened mostly today so I'm gonna throw it in! So Chaos Dad popped his head out yesterday just long enough to like Samba's BTS post on twitter and then also Samba and Rhys' little exchange.

I couldn't have said it better myself! ... I could I? ... no, no I couldn't.
... I could I?

And of course that triggered clowning since anytime Chaos Dad pops in we don our clown shoes. Thank you to [@merryfinches](#) for catching some of the discourse!

I mean I definitely think at the very least meetings or talks are happening. David went from regularly checking in somewhere to radio silence. That's a real thing.

FULL SILENCE as the second season of his show premieres on bbc with a lot of media attention. i refuse to believe he doesn't have a very serious and worthy reason not to be active on socials right now of all times.

Yo-ho-ho, @OldSpice! Our crew is in dire need of aromatic guidance 🚢🏴‍☠️. When the salty sea air mingles with the scent of adventure 🌊, even pirates need a dash of magic ✨. Please share your fragrant wisdom 🦉.

Hey Crew. Someone is trying to determine the value of OFMD right now. 👁️

How do we know?
YouGov UK is asking questions about it....

There's some speculation around the market research company YouGov potentially conducting research on OFMD. [There's a big thread](#). Why is this important? Well this company works with streamers to measure viewership data, and if OFMD is in there...and someone's interested, that could be a good sign.

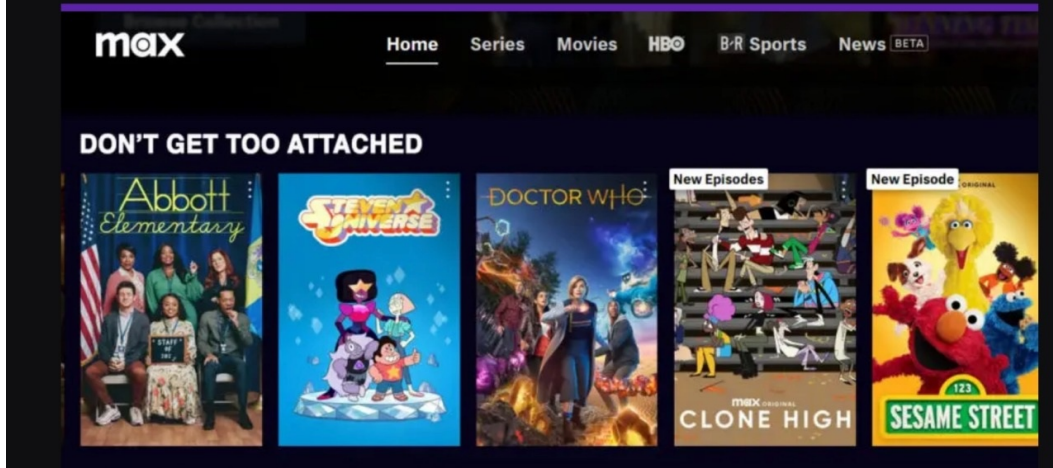

Some folks signed up, and if you're interested in doing so too, you can [here](#).

== Personal Update ==

Some of you have heard, I got the COVID so I may be in and out over the next several days, I’m still trying to make sure I get to recaps though so don’t worry! I’ll let you know if I can’t. Remember to mask up if you can and stay hydrated out there luvvs!

== Love Notes ==

Alright lovelies. We’ve run out of Rhys videos for a few days so you’re back to me being irritatingly loving at you! I saw [this](#) today on [The Latest Kate’s instagram](#) and it reminded me of a few things I wanted to say. My brain is a bit covid-fogged so apologies if it’s a bit wibbly wobbly.

We all struggle with so many little and big things in our lives. Whether it’s mental health, self esteem, a physical ailment, love, loneliness, self-identity, family, friends, world conflicts, or anything, I could go on and on.

I know sometimes it feels like you are pushing so hard and you start making so much progress-- and then something, big or little stalls everything and you feel like you’re having to start from scratch again.

I just want to send you a gentle reminder that progress isn’t always linear. Just because you have lost momentum doesn’t mean you’ve lost your progress. Every single situation is a learning

opportunity and every time you run into a new hurdle, you learn from the last one.

You are wonderfully intelligent, kind, precious, complex people and no matter what you're dealing with, no matter how small or how big, you are moving forward and making headway bits at a time. Remember to be kind to yourself and don't beat yourself up for bad days.

We are so proud of you lovelies, remember that.
