

Low Spoons Daily Tasks

02/25/2024 8:00 am EST

For anyone low on spoons but still wanting to help, here are some things to do.

- Most only take a few seconds and can be done on half a working braincell.
- You can do them any day, no matter what else is going on with the campaign.
- Do as few or as many of these as you like. Every bit helps.

☐ Click some links

This boosts stats and metrics that streaming platforms look at.

- [Google](#)
- [Wikipedia](#)
- [IMDB](#)
- [Rotten Tomatoes](#)
- [TV Stats](#)

☐ Request OFMD on [Netflix](#)

No text needed, just type in the title of the show.

Prime and AppleTV also have request forms, but they allow for more text and are therefore a mid-spoon task ;)

☐ Like/Reblog others' posts on Twitter, Insta, Youtube etc.

These are just examples for our hashtags on some platforms - go wherever you feel comfortable.

- Twitter: [#SaveOFMD](#) - [#AdoptOurCrew](#)
- Instagram: [#saveofmd](#) - [#ourflagmeansdeath](#) - [#adoptourcrew](#)
- Facebook: [#saveofmd](#) - [#adoptourcrew](#) - [#ourflagmeansdeath](#)

☐ Follow **SaveOFMDCrew** and **AdoptOurCrew** on Social Media. Like/Reblog their posts.

This gives their accounts more weight and the campaign more impact/visibility.

- SaveOFMDCrew: [YouTube](#) - [TikTok](#) - [Instagram](#) - [Mastodon](#) - [Facebook](#) - [Tumblr](#) - [Twitter](#)
- AdoptOurCrew: [Twitter](#) - [Instagram](#)

□ Watch Our Flag Means Death

This boosts streaming and audience interest numbers.

- if you don't have a Max-subscription, both seasons are now available on [iPlayer](#). Other streaming platforms like Prime also work.
- rumour has it that torrenting numbers are also counted by analytics sites...

□ Watch Related Shows on Netflix, Prime & Apple TV

This helps to show those streaming platforms that there is interest in those themes/actors.

- go to a platform you're subscribed to and search for "Our Flag Means Death", then watch one of the suggested shows. Give it a like.
- Also look for shows/movies that feature any of the OFMD actors

□ Enjoy OFMD Fic and Art - Kudos, Like, Reblog

Art and stories are important, and artists/writers need support. That's why we're doing all this in the first place.

- [Read a fic](#). Give kudos (or leave a 🗳 or "second kudos" in the comments).
- Reblog your favourite [fanart](#) (again).

□ Take Care of Yourself

We're in it for the long haul and you should never feel bad about doing "too little".

- Eat, hydrate, sleep, take your meds.
- Take breaks from the campaign. We'll be there when you come back 🗳
