Day 30 in the Gravy Basket. (FYI Long Post is LOOONG today was a very busy and long day) Well we made it folks, we made it to one month since Max cancelled OFMD and we're still going strong. Some CRAZY stuff has happened since then and some of our crew put together some fun lists of what's happened.

Thank you to @gheyandwoke on twitter for these memes:

We do a bunch of watchalongs of related shows and movies

Season 2 airs in the UK and we get Wee John Mondays again

Rhys joins Cameo and makes heartwarming videos that make us cry

Dad's been really quiet so we hope he's in negotiations

And that's been the first 30 days in the gravy basket

And that's not even everything that happened! So just remember, when it feels like it's been way too damn long, A LOT has happened

== Cast & Crew Lovely Letters ==

For Valentine's Day we've set up a Kudos board for our cast & crew of OFMD! (it's on an unlimited version so make as many posts as you'd like!) You can send pictures, gifs, videos, or just text, and we'll be sharing it to them on valentine's day across as many platforms as we can.

== Resources ==

One of our crew members, Lady Penni, aka @Pellington21 on twitter was kind enough to send in a HUGE list of [Positive Critic Quotes](#) to the Repo today and they got added in. Speaking of Resources, do you have images/gifs/infographics/text you want to share with the crew? Please feel free to send them to our contact form over at the repo. [@quirkysubject](#) as well as some other crew members are being kind enough to help me get it filled in and up to date (as well as updating the accessibility) and we want to make sure if you want to share your resources you can! Let us know what name you'd like to be credited by and we'll get things uploaded! [Repo Contact Form](#)

STARFURY CONVENTIONS

The Republic Of Pirates

AN EVENT FOR FANS OF OUR FLAG MEANS DEATH

HEATHROW, UK
NOVEMBER 8-10 2024

TICKETS & DETAILS: WWW.STARFURY.CO.UK

So as a heads up, the first Our Flag Means Death specific event has been announced by Starfury for Heathrow, UK 8 Nov - 10 Nov 2024.

Details at www.starfury.co.uk I would like to point out as it's been brought up QUITE A BIT that it would

be good to hold off buying tickets for now.

Apparently Starfury is NOTORIOUS for saying certain guests will be there, when they haven't been confirmed yet (and they did that today with Rhys Darby) so it may be good to wait a bit before purchasing.

This did cause some "Come to my convention" clowning for various people on twitter, which produced some fun stuff.

I made a little music for the title. I still had a couple of bugs to fix in the game but I wanted to have fun first. Back to the boring part now ^^ . We're so close to share this game with you we can't wait.

== SchadenFreude / Coyote Vs. Acme ==

So some crazy stuff happened today. Apparently Zaslav made a decision to not only remove Coyote Vs. Acme from Max but to shelve it so no one else could purchase it.

Now what does that have to do with Our Flag Means Death? Well, just like we've been seeing for weeks now the WBD stock has PLUMMETED like crazy since The Wrap article came out this morning.

It sent the following trends all over twitter: (Thank you Mich for capturing these)

Seeing this much negative press for WBD is great and shows it's not just OFMD they're cancelling, they're making crappy decisions left and right. The term "Zaslovian Blunder" was also coined today on the [@saveofmdcrewmates](#) tumblr:

**Zaslovian (adjective): to make a decision that is unanimously deemed absurd, that almost seems to purposefully damage one's reputation, company, self, and others.*

Hey Lovelies. 30 days is a LONG time. I get that. I'm feeling it in my bones too. I want you to know it's totally normal if you are feeling frustrated, and exhausted, and just over all of this effort to get our show back.

It's okay to feel that way.

You don't need to be positive all the time, you're allowed to feel grief. I know we've grieved several times since the original announcement, but just like progress, grief isn't linear either.

It's going to come up again in waves, and hopefully those waves get smaller each time, but they will keep coming until we get our show back.

I say UNTIL WE GET OUR SHOW BACK, because despite my own frustrations, I don't really have any doubt that it will happen at this point, it's just a matter of when.

What makes me feel that way?

- Chaos Dad's silence
- The fact he hasn't told us to just stop cause there's no way it's gonna happen
- The whole "everybody is ready to go" in Aotearoa we heard from Wee John Wondays
- Rhys' continuous pile of support
- The Cast and Crew being more active on social media again
- The continuous positive press
- and so many other little things that continue to happen that keep making it feel like we're inching forward.

I'm not an expert, I just have a feeling, based on staring at every happening that's happened over the past 30 days.

So if you need to, go grieve lovelies! Get mad, get frustrated, scream, cry, it's normal and it's healthy. You deserve to let feelings those out.

You are human, and you are wonderful, and you can't be a ray of sunshine all the time (nor should you have to be).

And for those of you who aren't grieving, and instead feeling renewed excitement, that's absolutely wonderful too. Don't feel like you have to grieve if that's not where you're at! Every one of us has a personal journey through all of this, and not one of us will share the exact same experience, so remember not to judge your progress based on everyone else.

Anyway, I'm rambling now, so on to the love notes:

== Love Notes ==

YOU are beautiful.

YOU are doing so damn well.

You are trying your best at whatever you're dealing with in your life, and you're kicking ass, no matter how much it doesn't feel like it some of the days.

You are a glorious piece of stardust, and whether you're shining bright or dim today, you are radiant.

Remember to breathe, and drink some water, and get some rest so you can keep shining.

Love you crew, hope wherever/whenever you are on this big blue marble you're doing well.
