Today at the Our Flag Means Death Matelotage Processional several of our crewmates came out in costume with signs and showed support at the WB Gates! Thanks to all the crew who attended! Thank you [@aimeekitty](#) for sharing these pictures! Their [IG](#) and [Twitter](#)

Remember our friends that had the in person Matelotage Processional? Well they're back with a funny video illustrating the fandom efforts of Save OFMD!

fangirlfoto Saving Our Flag Means Death is serious business, m'kay?!

Here we are, wooing potential network suitors on old, familiar territory - and hey, if we make our ex jealous, that's on them.

Despite all the silliness, these fellow fandom friends and I mean business!

LET'S GET OUR DAMN CREW BACK! Keep making noise for OFMD S3 & beyond!
