**sambaschutte** 🌟 Today's Crew Shoutout: the genius @dvidjenkins aka our father and creator 🏴‍☠️ What to say about the man who gave us this epic show, redefined the pirate genre, broke records, made history and created a classic for all times 🏴‍☠️ It was such a joy watching him get excited for every little aspect of his show coming to life, while looking cool all along ✂️ I love you brother and I'm eternally grateful 🙌❤️

Rhys decided to take it up a notch today on his [Tiktok/Instagram](#) and tell... someone they've created a monster. Who might that be?

== Damien Gerard ==

Our crew-mate [@patchworkpiratebear](#) got a Cameo from our lovely Father-Teach, Damien Gerard! There's a bit of a story behind it, see below!

Story time!!! A couple weeks back, Season 1 OFMD actor Damien Gerard was going through a tough time and fans were sending love.

Obv wanting to get in on the gushing, I was like "Oh! I should reshare the memes I've made with him in them & tag him with a nice message!"

A couple weeks pass and he followed me on instagram. When I mentioned it to other ofmd ppl someone said "oh cool! father teach!!"

y'all... I thought he played Father Bonnet.

But I knew that he is on cameo, so I ordered a roast video from him, and apologized for the error. He obliged with a monologue of impeccably delivered Shakespearean insults. I fking love this fandom and everyone involved in making this show so awesome. 🤩

== Guz Khan! ==

Hey! It's been a hot minute since we've seen our friend Guz Khan-- and now he's showed up on a cat! Good to see you sir!

Why am I on this cat bruh?!

I think it should come and live with me? Or Zangief at least...

Apparently, if you can see a panda, you're left-brained, and if you can see two turtles swimming, you're right-brained. What do you see?

## == Save OFMD Crew ==

There have been questions raised about the billboard that the SaveOFMD Crew have been posting teasers for on their socials. The Crew had a meeting today wherein they discussed the concerns of the fandom, and have taken that feedback to heart. They are currently working on a clear information packet regarding the logistics of the current billboard efforts.

They have kindly asked for your patience while they finish putting those last touches together!

## == @adoptourcrew Saturday Sillies! ==

## == Love Notes ==

Hey lovelies. I hope you had a fun Saturday/Sunday wherever you are. I know some of you are already closing out the weekend.

We made it through another day-- and there's all sorts of action going on across all the platforms. I hope you got a chance to have fun, but also to rest.

I know you know this, but even though I do too I often forget it. Rest is so very important. It's so easy to burn out, especially when we're constantly exposed to so much online. I think to myself "oh it's fine I'll just get a few more things done" and then it's suddenly 3 hours later and I've had only 4 hrs sleep in the last 30. Please please please give yourself self care today.

Go brush your teeth, or take a shower. If you feel like you can do more, brush your hair, or make yourself a nice cup of tea. Do something for you that makes you relax and feel rested.

On your last day of the weekend, make sure to take a few moments to yourself and just remember how awesome you are. You may not feel like it sometimes, but I can tell you now you truly are Awe-some.

You bring so much life and love to this world and you deserve all beautiful things you want.

Anyway, I'm very sleepy and I'm rambling again (what's new). Sleep well and enjoy your day lovelies, see you tomorrow.
