== UK Billboard ==

As many of you have heard, the Save OFMD Crew has been working on getting a billboard going in the UK.

"Our goal is to help achieve pick-up for Our Flag Means Death. To do it, we need the show (and the campaign) to continue garnering attention through sustained interest, viewership and fandom growth, and we need to prove to other streamers that picking up the show is a good financial investment."

Since there's so much information, I'm just going to give you some links that you can peruse at your leisure:

- [Save OFMD Crewmates Billboard Post on Tumblr](#)
- [Transparency Policy](#)
- [London Billboard FAQ](#)
- [SaveOFMD Crew Contact Info](#)

If you'd like to donate to the billboard/truck/subway effort (it's not required) please visit: [Save OFMD Ko-Fi](#)

I mentioned in another post-- if you don't feel comfortable reaching out to SaveOFMD Crew directly, and want to chat/forward feedback anonymously, I'm more than happy to do that on your behalf, just shoot me an anon ask. However, I will probably not get to them tonight because it's already very late, sorry! I'll forward them on first thing in the morning for me.

== Love Notes ==

Hey Lovelies. Tonight, I was gonna write a bunch of stuff but then I found this video of Rhys sending some love and encouragement, and I felt like it was needed more than anything else.

I haven't gotten permission to share the full video on here yet, so if I do I'll get it posted.

For now, @lividturkeys posted an uplifting section that I think we all need to hear tonight.
