**Day 13:** The hilarious and kind Matthew Maher! Great comic timing and delivery, the best laugh out loud moments, especially in Season 2. We definitely need more of Black Pete in Season 3. 🥰

== Repo News ==

I am putting this in the recap so that in case someone missed it on my blog I can still try to fix any damage that was done. This is the first para, but please read the whole [thing here](#). "It has come to my attention that a google drive that was linked in my Repo contained art, gifs, images, videos etc that had not been shared with permission of the original artists. I want to sincerely apologize to anyone who this affected." The situation has been rectified, but please, if you were one of the folks affected, please reach out to me and I will see what I can do to help.

## == Love Notes ==

Today I would like to take a moment to thank the folks who checked in on me or sent kind words today while I was having a rough time (whether you knew it or not). You all really amaze and humble me with all your kindness and caring. I wanna give a few shoutouts to some folks who kept me sane today [@spirker](#) [@ofmd-ann](#) [@scorpiostarseed](#) [@xoxoemynn](#) [@catbells-and-summerlinens](#) [@brainfugk](#) [@hoshiforever](#) [@roximonoxide](#) [@aliragsandmuffins](#) [@melvisik](#) if I missed anyone I promise it's not on purpose but because I am about 3 minutes away from passing out on this couch or I thought you wanted to remain anonymous.

Love Note: From [DoodleGems](#)--

You really do deserve to take up space. When you do, you work miracles and you move mountains and you give this tired lady hope.

So remember you are worth taking up space and fill it with all your goofy unique wonderful soul <3

Love you lovelies, get some rest tonight.
