Thank you to @ForcedMonument for all the information regarding last years Team Haven Fundraiser.

"We raised over £3000 last year to support their mission of daily hot meals for unhoused neighbors.

...I wanted to provide the documentation from last year to reassure folks that their donations, minus the platform fees, will go straight to the charity without me ever touching it. (It's why everything says "in aid of", as a matter of fact!)

I'm also thankful for how quickly Team HAVEN got the payout.

The project closed on April 10th, and the funds were transferred to their bank account on April 17th.
