= Cast & Crew Sightings =

= Samba Schutte =

More BTS! The particularly exciting part about this post was Samba's words:

"Last scene of the season, it was a heavy one which required extreme focus and emotion, and I decided to clown around 🤡 What were they gonna do, fire me? 🗡️

**A lot of folks are feeling like there are two important points in this message:**

1. "Last scene of the **SEASON**" (vs series)
  2. "I decided to **clown** around"
