#OurFlagTurns2!

Happy 2nd OFMD Anniversary Crew!

So many things were going on for the 2nd Anniversary! @AdoptOurCrew were putting out questions/prompts to increase community engagement! Did you all send any stories their way?

Thank you to @PaulineKnip for catching the #OurFlagTurns2 tag trending!

@adoptourcrew was kind enough to get the crew a Cameo from our esteemed Captain! They were having some technical difficulties getting the full thing uploaded, so I've included it here for now, but you can access it via their @AdoptOurCrew Tiktok

Two more of our crew-mates, [@amuseoffyre](#) and [@pehmokoir](#) were kind enough to share their #CaptainsOrders pictures with us! Thanks for getting out everyone, even if the weather wasn't perfect!

My outdoor adventure was all about taking my frustration out on the thick layer of ice outside my mom's house. I chopped almost all of it into little pieces with a shovel so it'll melt quicker. Fun and useful! 😊

So ready for spring! 🌱

== Love Notes ==

Hey lovelies. It's been two years. Two years since OFMD started the journey to bringing all of us together. I know a lot of us are later to the party than others, but I just wanna say thank you to OFMD for helping so many of us feel loved, and included, and safe-- and for this fandom for always being so welcoming.

Whether you've been here since the first trailer was shown, or since the cancellation of s2, you are part of this found family and we're so happy to have you.

I know a lot of folks are worried right now, and we've been going for so long, but we have something to celebrate today! 2 years!
Can you believe it?

I've had more fun in the last half a year with you all, than I have in nearly a decade. The love and support I feel in this community is so strong that I feel like there's hope for just about anything. I fully believe we're going to get our s3 at this point because everything we're doing means something.

This show is all about queer joy, and we need that on tv, and we're showing everyone exactly what it means to us. It's gonna happen. We're manifesting that shit.

You are wonderful lovelies, every last one of you. Don't ever forget that. I hope you have a fulfilling, restful evening/day, and everything good you could need happens for you.

Stay strong, we made it this far, we'll make it through <3.
