== David Jenkins ==

David popped his head out today with all the Jenkins Cut talk going around. [@bbviago](#) thank you for bringing Dad out of hiding!

Our friends at [@adoptourcrew](#) captured the fandom reaction pretty well me thinks:

Adopt Our Crew | #AdoptOurCrew @adoptourcrew · 7h

The whole #OurFlagMeansDeath fandom right now. #AdoptOurCrew

Also too, @skrifores had a really excellent point about how different the interpretations of this were. Which way were you all thinking? Any thoughts?

Skrifores 🦴🍊🖋️ @Skrifores · 7h

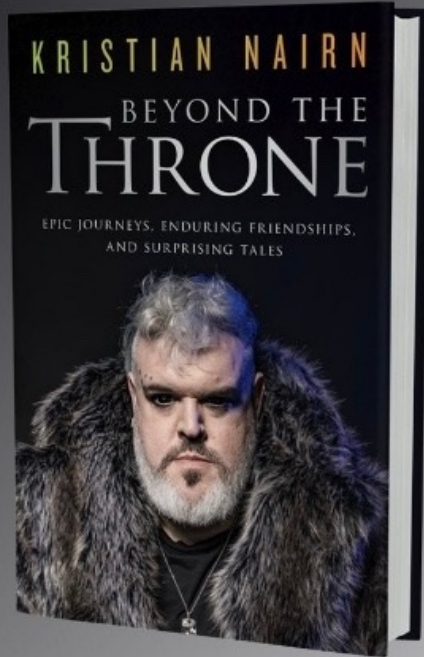

Love that half of us have taken him to mean that the Jenkins cut of the season 2 finale is 40 minutes long, while the other half believe that Jenkins cut of the Pop-Pop scene is 40 minutes long.

Personally I'm hoping it's the latter.

kristiannairn I never planned to write a book. However after being told a thousand times that I MUST tell my story, here we are. I hope my silly words help bring home some who are lost. I see the early part of my life, as a child , trying to squeeze a round wooden block into a square hole. With time, I learned how to make myself fit into my own life and find my place in the world. If this book even helps one person, it was worth it.

'Beyond The Throne', my debut book, will be released on 24th September and is available to pre-order now from all major retailers. Head to the link in my bio to secure your copy! ❤️ #BeyondTheThrone

Our pirate queen singing and playing the guitar for us. In addition... there's some clown/honking going on because of the note she added to her Instagram. \*Resurrection\* with 3 tiny stars, anyone?

## == Love Notes / Morale ==

Hey there lovelies! Today had some pretty great excitement going on! Chaos Dad popped his head out, Kristian's book got announced, our Ruibo put out a lovely song for us. All good news!

Even though a lot of folks had peaks today, I know some of our crew is still having some troughs, so I wanted to send out a little reminder that it's okay to have bad days. It's okay to not be as excited as everyone else. It's also okay to be excited when others are feeling down. We are all individuals and we all have our unique experiences and struggles we deal with every day.

You don't need to compare your experience to others-- you're allowed to be exactly how you are right now. If you feel down, give yourself a hug, you don't have to come out of it right now if you're not ready, but if you are, there are plenty of things happening to give you some joy.

I was going to save this song for when I wanted to talk a bit about mistakes and dealing with them, but I think it's pretty applicable to any situation where we're feeling down. It helps keep me grounded sometimes when I'm not feeling up for things. Here's just a couple lyrics from: "[It's Alright - by Mother Mother](#)"

"It's alright, It's okay, it's alright, it's okay  
You're not a demon, there's a reason  
You behaved in that way  
It's alright, it's okay, it's alright, it's okay  
And I believe, yes I believe that you will see a better day  
It's alright"

**Jen #AdoptOurCrew** 🌈 🏴‍☠️ 🧑‍🚒 @spanishjenkies · 8h  
He still didn't say stop 💜

Another lovely note from @spanishjenkies I thought was really important to include tonight-- Jen is right, David didn't say stop :) Remember that whenever you're feeling like the gravy basket is feeling too deep. Chaos Dad is still fighting the good fight in the background and he hasn't told us to throw in the towel.

Goodnight/G'day Lovelies, hope you all get some rest and have a wonderful day tomorrow!
