Hey Lovelies. I'm not sure where the recaps are going to be going from here. I may calm thinks down a bit and just keep you updated on watch parties and fun sightings. With the news on s3 not being picked up, I'm feeling not quite sure of myself on where to go from here. Still thinking on it. Is there a particular thing about the recaps you like? Maybe I'll focus more on what people want to see most. Anyway, I'd love some feedback. Thanks Crew.

== First London Billboard Meet Up==

The first day of the London Billboards had a wonderful meetup of various UK fans! The billboard was visible from Leicester Square and had a whole lot of foot traffic throughout the day!

Our lovely friend [@queerly-autistic](#) / [QueerlyAutistic](#) on Twitter made it to the billboard as well!

The UK Crew also got to see some Box Trucks!

 **Save OFMD Crew**
@SaveOFMDCrew

Before and after! Thanks to the wonderful pirates who joined us at the meetup today. Well over 30 fans saw the beautiful board in person! 🧛
👏❤️

Tomorrow we'll post group photos & more. For now, the UK crew have retired to their bunks for some well-needed rest. 😴

Our dear friend @whimmzee on twitter put these awesome signs together and the visiting crew signed them!

An exhausted OFMD Crew took one last picture after many hours of work! Thank you for getting out there and documenting the billboards: [@MoviesWithMarty](#), [@/whimmzee](#), and [@queerly-autistic](#).

OFMD London Billboard Design

Progress 0%

Following David Jenkins' announcement that it's the 'end of the road' in terms of finding *Our Flag Means Death* a new home, we need to make a decision on what we want to do with our final two days of the Leicester Square billboard.

The billboard has been booked for two more days - 18th and 19th March - and this is unchangeable. However, we have the option to change the design of the billboard.

The current design features our 'Save *Our Flag Means Death*' messaging, the tagline '*Our Flag Means Death* deserves a Series 3', and a QR code linking to the petition.

The three chosen charities for our billboard fundraiser are Mermaids UK, RainbowYOUTH (AoNZ), and Point Foundation (US), but we have only heard back from Mermaids about a possible collaboration on the billboard. **Mermaids still have not fully confirmed their involvement, so if this design should win, and we end up not being able to feature them on the billboard, we will go with the second most popular option and include a link to a charity page on our website at the QR code.**

PLEASE NOTE: there are two sections to this survey. The first will be a vote on which design concept you would like to see on the billboard. The second will be a vote on where you would like the QR code to link to (not having a QR code at all is also an option). **If you choose Design Concept 5 (a design focused around *Our Flag Means Death* and one of our chosen charities), the QR code question will be skipped, as this design will automatically include a QR code with a charity link.**

"Although the March 18 & 19 dates for the billboard are locked in, we're still able to change the design if desired. This is where you come in.

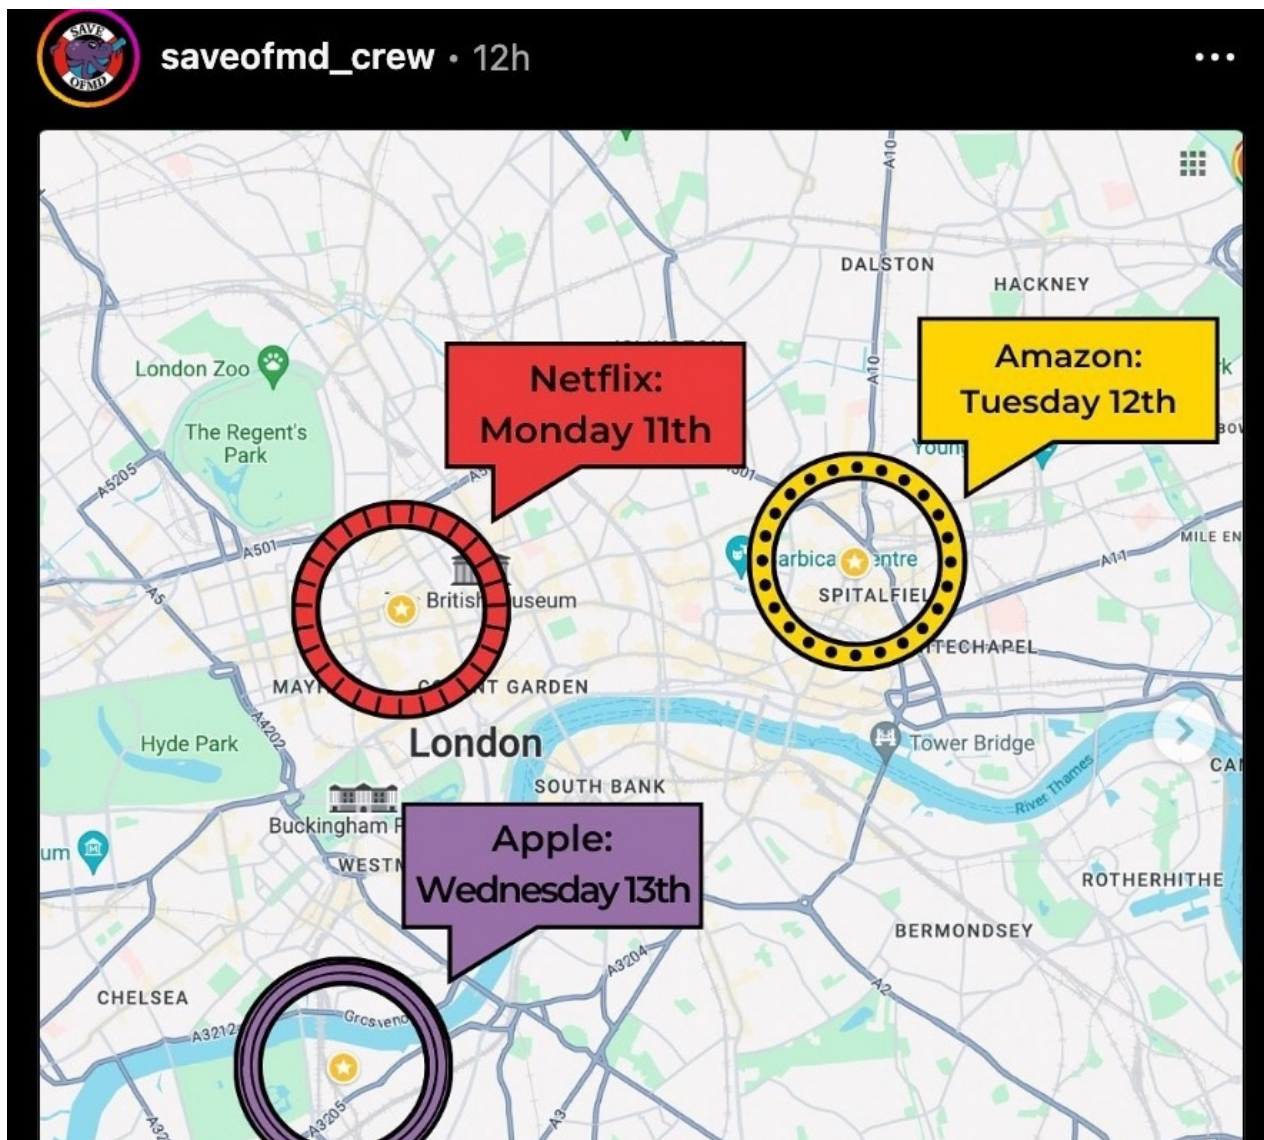

Amazing donors, your generosity is responsible for this billboard, so it's only fair you have a say in this decision.

We've set up a survey of viable options: let us know which you'd most like to see! It'll be open through Wednesday, March 13, 11:59 GMT. Thank you again for helping us make this happen! ☒

saveofmd_crew Ahoy, crew! We will be taking our messages to the streamers' London HQs on Monday 11th (Netflix), Tuesday 12th (Amazon), and Wednesday 13th (Apple).

Will you spot them in the wild? If you do, snap a pic, and make sure to tag us in it! 📸🔍

As with the billboard, our advertising trucks are paid for and locked in. But we think this is a fantastic opportunity.

How will they be able to forget the beautiful, passionate, indestructible pirate hoard trailing in their wake? 🏴‍☠️

While it may not be the right time for streamers to pick up the show now, if the TV landscape changes we want to make sure Our Flag Means Death has made an impression.

With these lovely punny messages, how could we not? 😊💕

P.S. : The flag waves! 🚩

Don't mind if I do! If you emailed max earlier this year after the cancellation, check your email, you may have one too. Feel free to tell them how much you hated that they cancelled OFMD. Remember these folks are not the ones making the actual decisions so be a Polite Menace and not a Complete Asshole :D Although, if you decide to go complete asshole route, just be sure to let them know its David Zaslav you're mad at, not the support folks.

Please Share Your Thoughts for a Chance to Win \$200

Hey Abby,

We'd love to hear about your recent experience with Max (previously HBO Max).

If you're interested in sharing your feedback, and as a thanks for completing our survey, you'll be entered to win one of 10 **\$200** Visa e-gift cards.*

The survey only takes about 15 minutes to complete, and results are used for research purposes only.

I had a few folks ask me to keep them updated on the two big fundraisers going on right now so I'm just showing a comparison fo how much they're going up today :). As usual please don't feel obligated to spend money you don't have or can't spare! If you wouldn't mind sharing to help these charities out, it would be appreciated, but yet again, not required.
