== Save OFMD Crew / Billboards / Trucks ==

The AppleTV trucks were parked outside Apple today! On top of that, the SaveOFMD Crew sent some love out to David and the rest of the Cast & Crew for all the things they've done for us!

== Still Fighting ==

A lot of fans are still fighting the good fight. Even if we aren't getting OFMD s3, they're sticking it to the man, David Zaslav for stealing our Love, OUR JOY!

#FireDavidZaslav has trended two days in a row, and he's certainly getting some nasty press.

@screenjunkies made a call out to what a horrific job David Zaslav has been doing! [Visit Honest Trailers | The Year 2023:](#)

= Dont Stream On Max =

Are you still interested in causing Max some grief? There's a discord server where several fans are getting together to notify each other and make plans on how to polite menace max. Please reach

out if you'd like a link!

= MaxMadness =

So today, Max thought it would be fun to post a really shitty bracket for shows and movies on their platform. They were pitching things like Citizen Kane to eventually be up against Shark Week. If you'd like to see the dumpster fire, feel free to visit their [Twitter](#) or [Instagram](#).

Our crew-mate [@iamadequate1](#) decided to make a Max Fan Favorites of our own! This time with cancelled shows! You can vote on this thread below on Twitter!

== Love Notes ==

Hey lovelies! How are you holding up today? Are things any easier this week? If not, that's okay. It's okay to still not be ok.

It's already hump day, and here we are, still kicking. I feel like I've been having lots of ups and downs. Distracting myself with silly things that make me laugh help a lot. Talking with you all on the crew really helps too.

What makes you laugh? Is it puns? Or goofy pictures? Is it unhinged comments, or maybe schadenfreude?

Whatever it is that makes you laugh-- please laugh today. Turn on a special (there's plenty of Rhys Darby specials on youtube or prime video). If that's not your speed, and you want to reach a goofy fic, look up something on ao3 with the weirdest tag you can think of.

Laughter can make us feel so much more alive when we're feeling down, and I hope you get some today.

Remember that you deserve to laugh, and enjoy life. Life will continue to get better, and even when it has ups and downs, you can always laugh, and there will always be bits of joy in the world. You all are my joy. Every day I get by with witnessing all the wonders this crew accomplishes.

You're awesome, and you're kicking ass <3, and you deserve the best. Night Crew. Sending hugs and love.
