## == Final Lube As A Crew ==

It was a fun and sad day with our crewmates over at [@astroglideofficial](#). The Social Media conductor was having a lovely time, but obviously was bittersweet with it ending. Here's some highlights from the watch party. To see more visit [their twitter](#). If I get some time this weekend i'll try to put all the lube as a crew stuff together on the repo so you can see it all, just not gonna get to it tonight. I tried to get the timeline in order.. if not, apologies!

== GLAADforOFMD==

So in case it comes up.. there was some drama with some other fandoms regarding GLAAD today on Twitter. The TLDR; version is, some tweets went out regarding how disappointed we were about Ted Lasso winning out over Our Flag Means Death for Outstanding Comedy Series. Somehow, Yellowjackets fandom, who won a different category Outstanding Drama Series somehow got the idea that OFMD fans were complaining about Yellowjackets winning. It was corrected multiple times by multiple people but they kept coming. So yeah, twitter being twitter, not a great time. Sending love to @koneko\_army and any other crewmates who had to deal with it.

If you wanna see the GlaadWinners visit [The Hollywood Reporter](#)

If you really wanna see the whole thread, you can visit [Koneko's Twitter](#) but honestly I don't

recommend it, I wasn't even part of it and it stresses me out reading it.

## == Love Notes ==

Hey there lovelies. Another week has passed. I really hope it wasn't too hard on you-- and if you're off to work tomorrow too, that you get some semblance of rest soon.

Sometimes it feels like we're too small to make a difference, or we don't know enough, or we're not pretty enough, or we're not strong enough. Or we're not enough of something, whatever it happens to be.

But you know what? You do plenty. You are plenty. You are plenty beautiful, and plenty

strong, and plenty full of life, and plenty knowledgeable, and you make plenty of a difference.

You make a difference every day, in our lives, and the lives around you.

I hope you get some rest and tomorrow you get to see even a glimpse of awesome you truly are. Take care lovelies <3
