Additional ways to help it happen:

== Dedication to Matthew ==

For Matthew One of our dear crewmates, Stephanie, lost her son back in 2022. They both watched SI together, and tragically he passed away not long after. Stephanie has been an active member of our crew for years now, and she reached out to Rhys and he made a lovely Cameo for her.

Some of you may have already seen it as she's been kind enough to share it with us previously, but after talking with Stephanie and hearing about who Matthew was, I wanted to put together a small dedication to him, and share Stephanie's words with you with her permission. Please visit [this post here on tumblr](#) for the whole story or [here on the Repo](#) for those of you not on tumblr.

== Love Notes ==

Happy Saturday Lovelies! It's already Sunday for all the folks over on the other side of the Earth, and the weeks starting up again.

Today's been a bit of a long day, and I've been bad about not getting enough sleep lately so I'm gonna leave a couple notes from other folks. I hope you have a lovely evening or morning and know that you are incredibly loved as your imperfect unhinged self. Love you all <3 Night.
