

# 03/17/2024 Daily OFMD Recap

03/20/2024 12:51 am EDT

Hey Luvs, I was doing some work for my business tonight and I dropped a giant box on my head. So far no sign of concussion but I am really out of it.. so Im gonna try to go to bed early and see if I feel better in the morning. Apologies for the small recap with minimal formatting, this is what I was able to get done. I know there's lots more, the like the Rhysness stuff by AdoptACrew, but I don't have it in me with my head feeling like this. Sorry all.
