Now one thing you'll notice, is the tv-show category between Stede Bonnet & Charles, and Steve and Murray got a bit out of hand. Most of the rest of the polls ranged in the 200-400 votes-- while those two ranged in the 7-9000K votes. Obviously somebody was having some bot fun. What's interesting is that during the day, once the bots started, they were heavily favoring Charles, and Murray, then the other half of they day they were heavily favoring Stede and Steve! We'll see who wins later tonight!

== Love Notes ==

Hey Lovelies. It's that time again. Time for me to gush over you for a bit.

Look at you! Go look at yourself in the mirror. Whether you see dark circles under your eyes, someone you can't recognize, or someone feeling put together --- You're gorgeous inside and out.

You are a tenacious, strong, amazing person, and whether you are where you want to be or not, you are making progress.

You're doing so well, even when it feels like you're not. Progress is so hard to gauge when you're living it-- but I know, because I talk to you all every damn day, that you are getting there. You bring out the best in every one around you, and you do so without even knowing it.

Even when things feel down, just know we can see you growing and you bring so much joy to our lives. I continue every day to be thankful for finding this little corner of the internet, for letting me meet each and every one of you.

Nothing can stop you lovelies-- nothing at all.

You're gonna get there, it just may take some time--

Remember to take breaks and get some rest if you can, it always makes things feel more manageable. But whatever you do, don't give up <3

We're here and we believe in you.

Love you crew, <3
