First of all, tonight I wanted to say thank you, I received so much love yesterday when I cancelled the recap. I still haven't gotten to respond to all the messages, although I promise they are coming! Thank you for giving me so much love, it really meant so much. The last few days have been rough on me personally for various reasons (not because of the recap) so I appreciate all the love, it got me through the day! 🙏🏻

PS: This is going to be a Long Post is Long so I'm gonna throw a break in here so I don't kill all your feeds!

So I ran out of room for images! So I'll to make a separate post for this, but Bank Square Books in CT put together a really cool list of books they'd recommend to various OFMD Characters. Obviously we've got some crew members on their staff! Even cooler, they do book bundles so if people are interested you can get lots of books

for reasonable prices! [OFMD Character Recommended Book list](#) (note this link doesn't include which characters they're recommended to, you can check out their twitter link for the images / recommendations per character)

== Love Notes ==

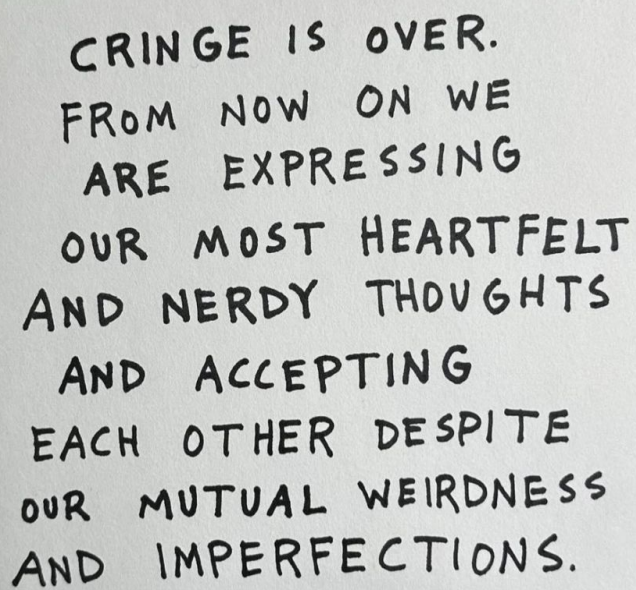

Hey Lovelies! @blakbonnet was kind enough to explain to me the little lovely letter game going on here on tumblr, and I think it is the coolest and sweetest thing! 🥰🥰🥰 I'm trying to participate too but i'm gonna be a little slow! Sorry for the delays! Today got away with me!

But seriously, how damn awesome are all of you sending love like that!?!?! You're just opening up and sending and receiving love, and I feel like it's 100% what we all need right now (and helping some folks normally nervous to get some love!). It's just incredibly heartwarming, and I wanted to say how happy it made me to see it.

This post is getting insanely long so I'm gonna cut off here tonight, but I wanted to share something lovely our lovely Pirate Queen Ruibo Qian shared on IG. -- I adore all our mutual weirdness and imperfections and there's no other people I'd rather be weird and imperfect with than you all :)

Good night and good day lovelies!

CRINGE IS OVER.
