Hey lovelies! I'm taking your advice and not stressing too much if I can't get the recap out by end of day due to life stuff. So! That means if you don't see one from me, it doesn't mean it's not gonna happen, it means I probably fell asleep and I'll finish it up the next morning :)

@edteachseawitch

This guy feels like Jeffrey Fetterling to me. He was inspired by Stede and is so happy to have set off for his own grand adventures on the high seas.

## == Love Notes ==

Hey Lovelies! This is a bit of a silly love note today because I'm behind on everything, but I just wanted to give you some silly permissions (I dont have any real authority to give permission but this is a reminding you YOU have the authority!)to go out and do something out of the norm today.

I decided that I was going to have some ice cream after breakfast today. Why? Idk cause this weeks been crazy and ice cream sounded good.

Give yourself a treat today, whatever that happens to be for you-- going for a walk, eating ice cream, going to see that movie you have been holding off doing. Do something that makes you smile, you deserve it!
