This started as a proposal for running WPs in some form on Discord that moved to advertising at large =)

There is a question of time. WPs thru SOFMD have been sticking to start times in the 1-4pm CT (6-9pm GMT) range, but that is a bit too early for me. Polls in comments

Twitter Poll going on by @iamadequate1 regarding two questions:

== Love Notes ==

Evening/Morning m'dears. Hopefully today was a bit easier! We got quite a few crumbs of bts / script info today and lots and lots of Rhys which certainly raised some people's spirits.

I just wanted to send a reminder out today that lovelies, you are so much more than what others think of you. You are so much more than what you think of yourself even most days. You are such an inspiration, and you've been doing a really amazing job, even if you've had bad days. I'm sure you're tired of hearing that, but that's too bad because I'm gonna keep saying it until you get it in your beautiful brain that you are doing great. So many things are going on, and everyday, bad or good, you are getting through them. If someone was unkind to you today, I'm so sorry, and I hope they haven't made you feel too down on yourself. If they did, just know, you are a force to be reckoned with. They can be spiteful and hateful, but you are a wonderful force that keeps on kicking

ass.

You deserve kindness in this world, no matter what, you hear me?

No matter what.

You're doing great, so give yourself a big ol hug for me and the rest of the crew, and know you are an absolute gem. <3 You're gonna get there, wherever you're trying to go. Keep going!
