Please Note: [@ineffablecollision](#) was kind enough to let us know of some desyncing issues! Thanks friend!

"During the TMNZ watch party, depending on where you watch, you *will* get desynced! I don't know if TVNZ kept the ad break bumpers, but Ch4 has one missing (TMNZ has four ad breaks compared to TMUK's three, so they cut to fit), and YT has them cut altogether!"

== Fan Spotlight ==

= Big Gay Energy Podcast =

Our Big Gay Energy Podcast interviewed Gypsy Taylor and we learned some pretty amazing things. Some highlights:

- Stede's cravat was fabric left over from his old couch

- Ed kept the teal robe (the one he wears the morning after calypso) as a memory of Stede and then Taika kept the robe after the show.

Please check out the whole episode below!

== Love Notes ==

Hey lovelies. This weeks turning out to be a bit of a doozy. I hope you all are practicing some self care. It's been a lot lately. I have seen a lot of you mentioning re-watching the show, which I love. It feels like we are getting past the raw part of our grief into being able to celebrate it as a group

again.

Be kind to yourselves lovelies, be kind to yourself and others. There's enough hate in this world that we don't need to add undo stress to others or especially ourselves.

Love you crew.
