\*Please Note\*: @/ ineffablecollision was kind enough to let us know of some desyncing issues! Thanks friend!

"During the TMZ watch party, depending on where you watch, you *will* get desynced! I don't know if TVNZ kept the ad break bumpers, but Ch4 has one missing (TMNZ has four ad breaks compared to TMUK's three, so they cut to fit), and YT has them cut altogether!"
