Some of our crewmates got another Cameo from Samba! This one was requested by The Bardflies! It's fantastic and full of Shakespeare!

== Teal Oranges & Garlic Soup Week ==

TealOranges & GarlicSoup Week @GarlicSoupWeek · 5h

Hey folks, the mod team just learned that there is a call for a Global Strike for Palestine on Monday April 15th - so to honour that, we're pushing back our prompt release until April 16, and will withhold from posting for the day. Thanks for understanding, see y'all on the 16th!

FYI! Prompt release will happen on April 16th instead of 15th in consideration of Global Strike for Palestine Monday April 15th.

== Love Notes ==

Hey lovelies. I know it's been a crazy week or so... tax time, all the random sightings of Chaos Dad, WBD being a POS. I know a lot of you are hurting pretty bad right now, and not sure where to vent your frustrations.

Just remember that it's okay to step away, and it's okay to not engage with things you don't feel like you can stomach. It doesn't mean you're not allowed in that space, and it doesn't make you a bad person. You are allowed to shine as bright as you are, but you can also choose which places get to bask in that light. You are allowed to take up space. You are allowed to shine. You are allowed to find the places that your sunshine helps others to grow and vice versa.

We aren't all going to get along all the time, as much as I'd love the world to be in that kind of space to allow for it. We've all been hurt, and we've all been through things in this life that have made us no longer trust people and places. I hope that one day, along with this awesome crew we can make a better space for everyone, and even if not all of us can get along all the time, that all of us find our ways to people who we feel safe with.

Remember that you are so kind, and you are so worthy. Some days it doesn't feel like it. Some days others try to take that from you. But that's what you are. You are worthy of love, and safety, and you are so very beautiful. Remember the kindness in your heart, and try not to let folks snuff it out. I know it's there, and I believe in you.

I really hope you all get some rest tonight lovelies, or soon, you deserve a break. The world can be very hard, but you are the soft, bright ball of love it needs, don't forget that.

It's gonna be okay.
