Some cool stuff is going on in SOFMD's Fiber Arts Brigade! There's an auction to benefit Sage, a US organization that provides amazing support and advocacy for queer elders! The Auction will be held June 14th . You don't need to be a member to donate items to the auction! Message [@saveofmdcrewmates](https://twitter.com/saveofmdcrewmates) if you'd like to join in!

An important announcement from our Fiber Artists 🧶:

SOFMD's Fiber Arts Brigade is proud to announce an auction to benefit SAGE, a US organization that provides amazing support and advocacy work for queer elders! 🏳️‍🌈

We are holding the auction on June 14 to celebrate the 3rd anniversary of the show's first day of filming.

FAB is open to all, but you don't have to be a member to donate an item to the auction! We're asking for loosely-OFMD-related finished products, kits/supplies, or commission slots. Message the SaveOFMD Crew account to get connected! Jeff is excited for you to join him! 🧶👤👉

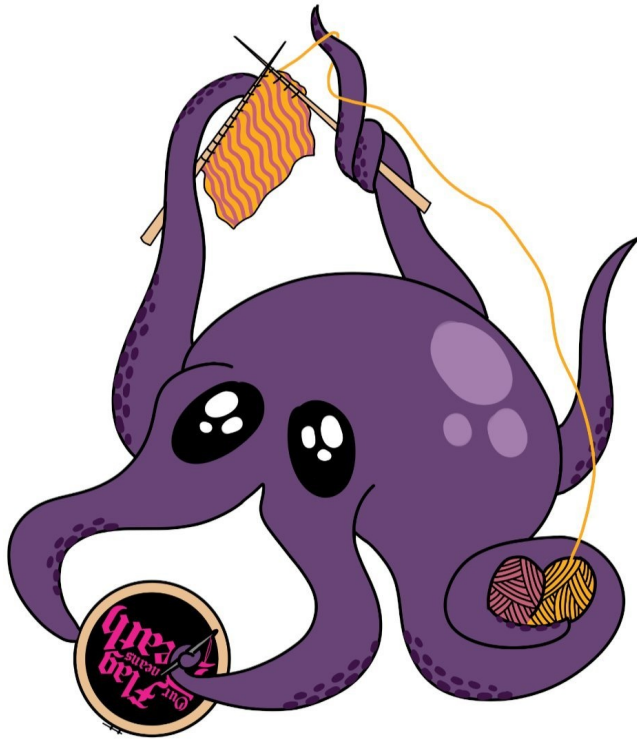

If you're not a crafty type but would enjoy owning some [#OurFlagMeansDeath](https://twitter.com/OurFlagMeansDeath) textile art, mark June 14 on your calendar. After all, who doesn't fancy a [#FineFabric](https://twitter.com/FineFabric)? 🏴‍☠️🍷

## == **\*\*Big Sigh\*\*** in Bristol ==

I don't even know what to label this section. I'm just flabberghasted. The good news is they are not a member of the SOFMD team since there was a rumor going around that SOFMD was somehow involved. Link to the [Bristol Post](#) and SaveOFMD's Statement Below:

@SaveOFMDCrew

Hello all,

It has been brought to our attention that someone is attempting to have a statue of the real Blackbeard erected in Bristol. The statue has absolutely nothing to do with SOFMD, and we certainly do not support it. The only Blackbeard we support is the one from our show who is a work of fiction, not the real man.

It has nothing to do with the show, either: according to the article, the call for the statue to be erected comes from an individual named Jack Stephens, a resident of Bristol.

Stephens' petition currently has 68 signatures. 🦴

## == Love notes ==

Today was a tough one lovelies. I really want to thank all of you who reached out when I was struggling, it meant a lot to me. I know some of you said we didn't know each other-- but I just wanna throw out there that you're part of this crew, and even if we haven't talked or interacted much, your love means the world to me and everyone else you send it to.

Every single one of you who's willing to reach out-- to a friend/crewmate who has asked, or hasn't

asked and just looks like they need it, or you're just spreading a bit of joy-- you make this world such a better place. You take sadness and you turn it into solace and comfort. You share a little piece of yourself to make someone else's missing pieces start to be whole again.

I just want you to know how powerful that kindness is. It can mean the absolute world to someone when they are truly down, to know they are seen and cared about, even by the briefest of acquaintance. Seriously, thank you. You are a glimmer of sunshine on hard days and the impact you make is immense. Tonight, I just want to say thank you so so much for your kindness. Love you crew, I hope you're well.
