What is there to say? Watch the video and watch Rhys get real fucking mad at Taika as he giggles like a little girl. I love these two so very much. Oh, and they're trending on twitter.

Pink news is keeping it real with mourning OFMD. Img Src: [Pink News Twitter](#)

I just wanted to say... I know we hit triple digits in the gravy basket. We're at 101-- I know that seems like a lot-- but just for reference purposes, I looked up how long it took for Wynona Earp to be renewed, and they were at 1,098 days before confirmed renewal.

I know we don't want it to get that far-- and hopefully it won't, but I just wanted to point out sometimes these things take a bit of time. Hope is not lost <3

== Cast Cards ==

Our dear friend [@melvisik](#) has highlighted one of "our beloved directors and Jackie's (late/former) favorite husband" -- I didn't know that was him!
