== Love Notes ==

Hey there lovelies. I hope your Monday wasn't too crazy! I'm gonna keep it short tonight because I am nodding off.

I know sometimes we do things when we're not feeling very well that we regret. I know sometimes we get so far progress wise, but then we revert a little bit because the day was just too much. Sometimes we even say or do things that hurt others, even if we don't mean to, but it happens.

Just remember lovelies that that doesn't make you a bad person.

We all make mistakes. We are all human, and none of us are infallible.

You are going through so much. You are dealing with the stressors of the day, of the week, of the year, of the country, of the global climate, hell you're dealing with the stressors of keeping you and your loved ones fed, and clothed and sheltered, or maybe you're dealing with a physical ailment.

Whatever it is, you're dealing with A LOT. We all have bad days.

Making mistakes is how we grow. Give yourself some grace lovelies, you deserve grace too.

Anyway, that's enough out of me, goodnight crew, I hope your dreams are sweet, and your rest is full.
