Hey lovelies! Sorry for the delay-- I know you say not to worry if there's a delay and I try not to but last night was particularly frustrating because I got most of the recap done, but then worked 14 hours in between that and fell asleep without actually hitting finishing up and hitting send! Argh! Anyway, bit late but here it is :)

PS: Shoutout to the lovely @MerakiRetreat for saving my butt the other day from a horrible auto correct error! You are a rockstar! Thank you so much!

If you have Tiktok, feel free to visit the link below, if you don't, I'm attaching the video here as well, but please, if you have tiktok, definitely go there to watch and interact so Rhys and TCF folks can feel the love :)
