Our Red Flag Crew Member Wendy has found some Kittens at her current place of work and they are going to be adopted by MOTAT! ([Museum of Transport and Technology](#)) I can't get over how many of our cast & crew keep finding so many cats!

**Wendy Andresen** @WendyWings · 17h

🥰🥰🥰 update already, we are going to adopt them !!! By we I mean @MOTAT\_NZ , they are going to become Mocats.

( I may have had something to do with that)

New work babies 🥰🥰

Omg the cat distribution system is trying again with me 😭  
I finished work and went to my car and a little cat was sitting right by it and mewed and rubbed around my legs THEN HER TWO BABIES RAN OUT FROM UNDER THE building ( Motat offices)

## == Love Notes ==

Hey Lovelies, I'm late again, but I'm kinda glad today. Do you know why? Well, because sometimes there are only so many things we can do in a day. Sometimes all we can do is get up in the morning, and feed ourselves, and the rest of the day is a bust.

Sometimes all we do is work, and we can't remember to drink water or take our pills. Sometimes we can do a lot! Sometimes we can do all the things.

So just remember, whatever YOU did today is enough, okay? You're making progress, bit by bit in

whatever you're dealing with right now, and it doesn't have to happen all at once. Look at what you did today, and be proud of yourself because you made a huge, or a tiny step forward, and that is STILL A STEP FORWARD, and you can be proud of yourself for that.

One of the hardest things that I struggle with is that I have started to understand my own boundaries, and my own limits-- and sometimes other people don't respect those (none of you, don't worry). There's going to be people in this life, sometimes people close to you, who are supposed to be supportive, but they're dealing with their own struggles and sometimes try to push you past your boundaries for their own sake.

This is just a gentle reminder, that even if THEY tell you that you/what you're doing isn't good enough, that's absolutely NOT true, okay lovelies? You are doing enough. You are going at your own pace, and that is perfectly acceptable, and absolutely necessary for you to keep going.

Don't destroy yourself for their piece of mind. You deserve better than that. Go at your own pace.

You're doing great. Be proud of yourself-- I'm proud of you.

Hope you all have a wonderful Friday/Early Saturday Lovelies. Take care okay?
