== Samba Schutte ==

Samba was out here today sending us some BTS but also this adorable picture with Con's water bottle.

This person left their water bottle behind
and I definitely did not drink the rest of it
and definitely did not make out with it
and definitely will wash it.....

Kay was kind enough to bless us with MULTIPLE BTS posts today! The first was a video of an attempt by Con to use his horsey leg.

"First try of the leg 🙏 I take my hat off to [@oneill.con](#) for his incredible acting on this show - this leg was not the easiest prop to manoeuvre and he just did so incredibly well. Creds to Nick Weir our most excellent props master & Jake Walls for the prop making collab, our whole team on this was so fab 🙏🙏 #ourflagmeansdeath #ofmd"

Then she was kind enough to show us some more leather work she did, including the holder for Ed's alcohol in the Gravy Basket. *"Before and after breakdown 🙏🙏 #ofmd #ourflagmeansdeath"*

Our Mary Reed, Rachel House featured *The Moon Is Upside Down* on her IG which she starred in, and shouted out to another talented director - Loren Taylor! If you're in Aotearoa check out 'The Moon Is Upside Down' in cinemas starting May 2nd!

rachelteaomarama 🌟 The crazy talented, nek level human Loren Taylor, writes, directs and stars in this flapping fabulous film. Her directorial debut just quietly won best first feature @tallinnblacknightsff a few months back. It's in cinemas all over Aotearoa from May 2nd. Made by heaps of legends. Congrats to you darling Loren. You're a 🌟

Thanks to [@/Seven_Sugars on twitter](#) for sharing the article and providing commentary on the latest WBD Stock drop from today. [Article here](#)

Buttons (Ashley) at C2E2 @Seven_Sugars · 6h

This is huge. One reason the last earnings report dropped WBD stock so low is they haven't been able to replace lost cable ad revenue w/ streaming subs. Losing NBA ad revenue is going to crush them. Esp. if more people unsubscribe from Max/HBO.
