== Love Notes ==

Hey Lovelies, it's been another very long day-- but we made it! We made it to the end of the week! Tomorrow is Saturday (it already is for some of you) so please oh please take some time to relax and get outside for a few minutes if you can.

I am fading fast, but I wanted to still send some love, so here's some notes from some other folks. Love you crew, take care of yourselves and do whatever you need to do to unwind this weekend (cry, draw, write, scream into the void, go outside for a walk, whatever you need).

Stay soft lovelies <3
