Vico's been doing so much voice acting lately! They decided to drop some pics from the booth! Loving all the facial expressions!

puertoricaninja 🟦 If anyone wonders where I am... im probably gonna be behind the booth whispering sweet nothings into a microphone and making silly faces whenever I have to say a really big word for Elmo multiple times 🥹🥹👉

== WBD End of Q1 Meeting ==

Today's Q1 Meeting was full of massive BS as you've probably seen from various sources by now. Thank you @ragsandmuffins-ali for live tweeting during the call so we could get an idea of what's going on in their heads.

Ali (she/her) #LongLiveOFMD @ragsandmuffins · 15h

You’re world leaders in scripted drama and comedy?

Then why are you focusing on sports, true crime, and reboots?

== Love Notes ==

Wow! Crew, today was nuts! I wasn't even present for most of it, but I poked my head in occasionally and saw so many people Polite and Not so Polite Menacing today! It was fantastic! I want to give a huge shout out to AdoptOurCrew for leading this charge, SaveOFMD Crew for all their support and resources, @sonnetforbonnet for guiding folks, and all the other folks who helped so many people today in menacing Max!

I tell you lovelies, it felt really good to see that kind of passion and banding together today. It reminded me of earlier this year when we were all united for one common cause. I realize we can't keep that momentum up all the time, but it was so very heartwarming to see everyone working together today again.

You all are badasses and you should be proud of yourselves. You seriously stepped it up today. I heard there was some drama with some not so kind "max supporters" but if you can, please just ignore those folks. They don't know where we're coming from and they are absolutely not worth your energy if you don't have the spoons <3

I'd like to share another love note I found on Instagram today that's not completely applicable to today's events, but it spoke to me because of the last part. Be proud of yourselves lovelies. No matter what you did today, polite menacing, sleeping, massive aggression, whatever it was. You did great <3

Take care <3
