== Love Notes ==

Hey there lovelies! Happy Friday! I hope you've started your weekend off having fun and are getting some rest!

It seems like spirits are up today! I don't know if it's just from the polite menacing yesterday, or all the excitement and sightings with the convention happening-- but I'm really loving seeing people in good spirits. I know we've all had a bit of a rough time of it lately, and we deserve to enjoy life a bit for a change!

This life has so many wonders to offer-- if you happen to be in Europe, the Northern Lights are going on right now and all the pictures everyone has shared have been absolutely stunning. I've never gotten to see them in person before-- but the photos are radiant, I can't imagine what it'd be like IRL-- please if you haven't seen them and they're still around tomorrow go out and take a peek!

Something else I've noticed the last couple days crew, is a lot of you are feeling more comfortable talking about your insecurities and fears with each other. This is really wonderful, because so many people are coming out and are trying to support one another in them-- and that's what crew is all about. Seeing people build their confidence bit by bit with every interaction, it makes me feel so incredibly fuzzy inside. Every day you continue to grow into these wonderful little remarkable beings, and getting to see that blossoming in you all over the past few months has been a serious privilege. You aren't your insecurities lovelies, and while those feelings are absolutely valid, I hope you can get to a point (if you aren't already there) where you can hold them in your heart, feel them, give them love, and let them go so they too can heal the parts of you that caused them in the first place.

We're all on your side crew, I hope you know that. You are an ethereal soul in a delightfully beautiful little shell, remember to love yourself too so you can keep blooming into that exceptional gleam of wonder that you are. Happy Weekend Crew, I hope your next few days are filled with good times and laughter <3
