== Love Notes ==

Hey Lovelies <3 I hope you're having a wonderful start to your weekend (or mid weekend, wherever you are).

Tonight I'd like you to take a few moments to repeat after me, okay?It won't take long.

"I am beautiful"

"I am kind"

"I am loving"

"I am worthy"

"I am a force to be reckoned with"

"I deserve rest"

"I deserve love"

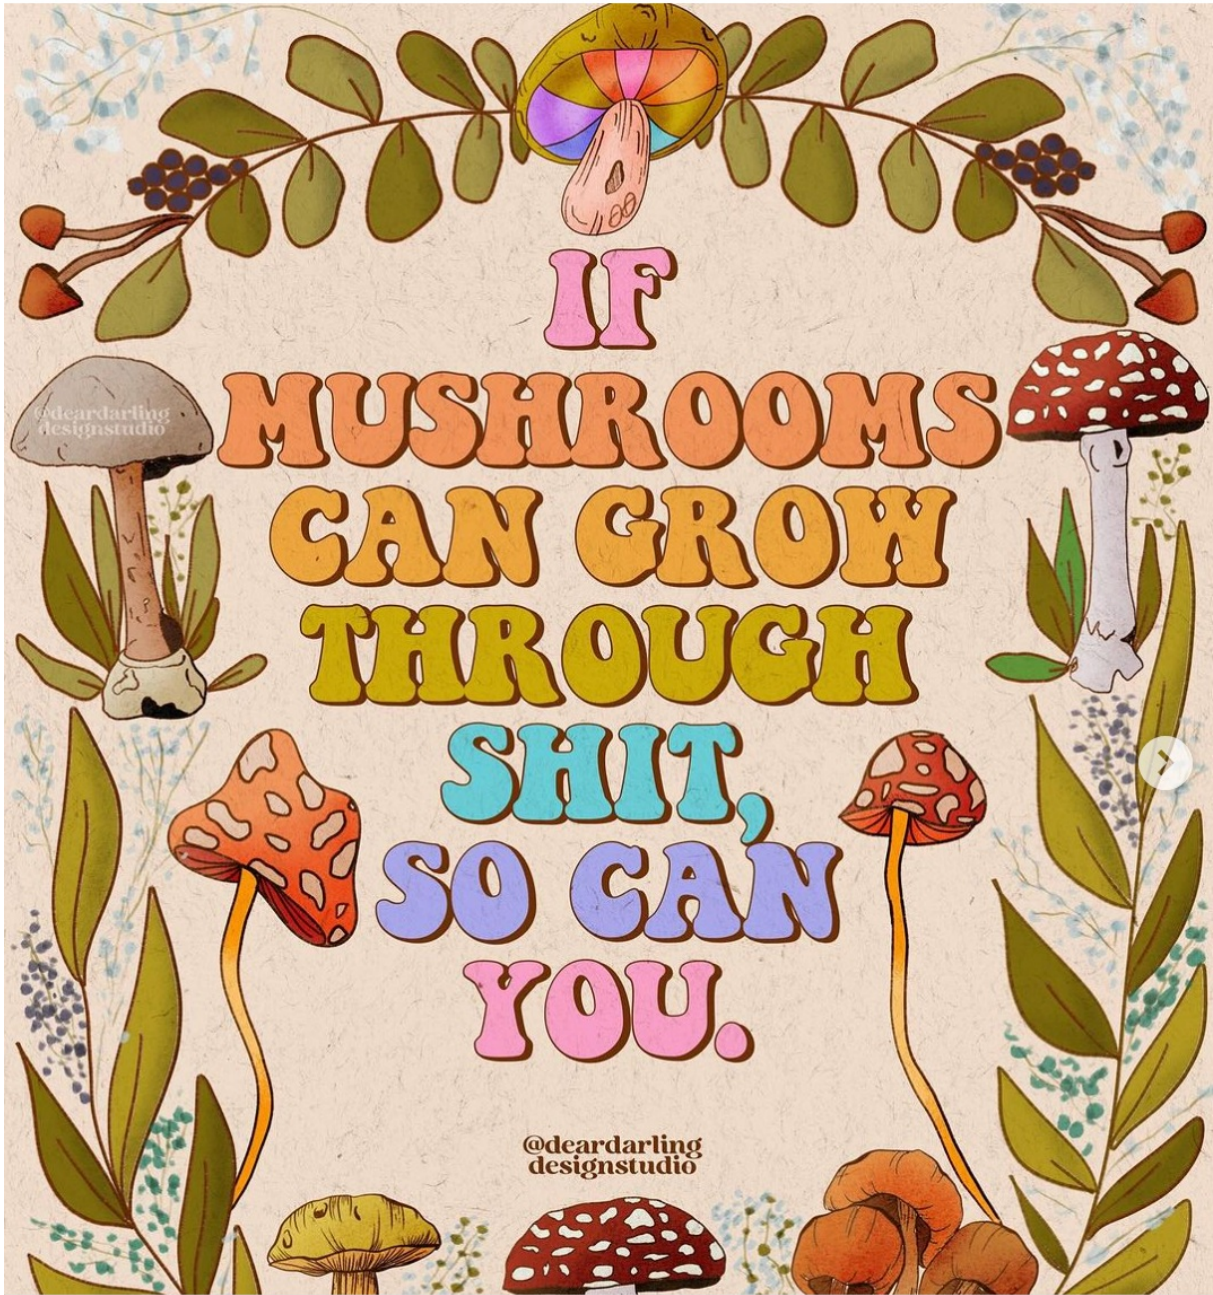

"I am enough"

You are all those things. It's easy to forget sometimes how hard we work and how far we've come. You are so many wonderful things lovelies. Remember to tell yourself that once in a while. You deserve recognition from others, but also from yourself. You are so brilliant, and you continue to surprise and delight us all every day. Rest well <3A few more love notes from some lovely folks on instagram, feel free to visit them below :)
