The speculation on what this is about is that the NBA will be moving from WBD to NBC, Amazon and ESPN.

It's David's sister Tracy's birthday today! He sent out some goofy and fun love her way.

You are the best big sister. Even when you resemble the "this is fine" watching a fire girl while holding my defenseless little body (kidding, my cranium was MASSIVE). Thank you for not throwing me down a well, and thank you for stepping in to raise me when I needed it most. I still feel cool when you let me hang out with you. Enjoy your thirties, they go quick.

The Thylacine - A Musical Improv

Yesterday

Rhys has really been taken with an recent Thylacine sighting (CF Tiktok for more info!) - So much so he's felt the need to break out in impromptu song and share his beautiful sounds with you - how very gracious of him!

Allow us to present -

The Thylacine, A Musical Improv

Our Captain posted a very silly video these last couple days on The Cryptid Factor Patreon! This time, Rhys came up with a Musical Improve with the help of his son Finn

and other members of Big Cow Band!

Note: You'll probably notice I'm not sharing images / content from Patreon, this is because the creators on Patreon have asked us not to, but also because we want to make sure they're being properly supported!

Also some new BTS on Vico's Patreon!

OFMD BTS-S2

I wish I had gotten all the outtakes for this! But between Matt, Samson and Nathan, the ending for this kept getting more and more unhinged with Lucious having the knife in his hands 😬

In one of them Matt said "Babe... were you gonna stab... me?" Which took all of us out

== Love Notes ==

Hey Lovelies! I hope you're hanging in there. We're getting to the end of the week, and it's a long weekend for a lot of folks in the U.S.! Hopefully you've got some downtime planned (no matter where you are), you deserve a break.

Tonight I wanted to send a reminder to try and give yourself some self care this weekend. I've been very bad about it this week and my body is finally telling me so, so here's some gentle reminders for you!

- Remember to take your meds today!

- Drink plenty of water! Yes I know tea is delicious but it can dehydrate you, so remember to drink some water too when you get a chance :)
- Take a shower or a bath, you'll feel way better afterward!
- Eat something yummy, and something healthy too! Give your body something it wants, it'll tell you what it is.
- Make sure you get plenty of sleep, if you have an extra day off-- take advantage of that! Sleep can do wonders for your mental and physical health.
- Try to laugh if you can-- watch something funny, read something funny, look up a terrible dad joke on the internet-- ask a friend for a laugh. Laughter can do so much for us and helping to release some of our fight or flight stressors.

You're doing great lovelies. I know it's been a lot lately, but you're really doing great. You've been working so hard, and you're making incremental progress towards your goals. I'm really proud of you. Remember to be proud of yourself too <3 You are such an amazing person, and you deserve to rest too.

Happy weekend all <3 See you on the flip side.
