== June 3 Fuckery with Adopt Our Crew ==

Our friends over at [@adoptourcrew](https://www.instagram.com/adoptourcrew) will be pushing #DontStreamOnMax with any other relevant hashtag (#OurFlagMeansDeath, #SaveCoyoteVsAcme) on June 3rd during the Stockholder Meeting! Feel free to come out for the fuckery if you can!

@AdoptOurCrew

#DontStreamOnMax

WHAT: #DontStreamOnMax Stockholder Meeting Takeover

WHEN: June 3, 2024

WHY: As Pride Month begins and WBD and Max begin to promote the few queer-inclusive shows remaining on their platforms, we want to make stockholders, consumers, and the general public aware of how the recent actions of WBD and Max are alienating audiences, resulting in subscriber and profit losses.

HOW: Flood social media on June 3rd using the hashtag #DontStreamOnMax paired with any other relevant hashtag (#OurFlagMeansDeath, #SaveCoyoteVsAcme)!

== Max Menacing: Pride Month ==

Thank you to [@patchworkpiratebear](#) for sharing these, there's lots of posts you can go to and politely menace max on for trying to make money off of pride month after cancelling OFMD and other queer shows. Feel free to hop onto your favorite platform and "unleash hell".

Those who dare spend even one night at Moonlight Cove disappear. The townspeople speak in hushed tones of a creature who lures unsuspecting visitors to a grim fate beneath the sea. Stede Bonnet, seeking adventure in a new town from from his lonely life, is one who dares. But soon he too will be drawn to the moonlit shore.

Written for MerMay 2024, this story is very loosely inspired by *The Little Match Girl*, but with less death and more mermaids. Many thanks to @monksofthescrew and @petrichorca for their assistance.
