# Don't Stream On Max

Warner Bros. Discovery (WBD) will host their 2024 Annual Meeting of Stockholders on Monday, June 3 at 10 AM EST. To celebrate, we're sharing some of the (many) reasons why we **#DontStreamOnMax**.

- 1 Cutting budgets for premier content and forcing show runners to condense seasons into fewer episodes.
- 2 Prioritizing existing IP over fresh, diverse, and authentic content.
- 3 Supporting a bigoted creator who actively preaches transphobic rhetoric while canceling multiple series that center queer people and people of color.
- 4 Canceling critically acclaimed queer shows and in the same breath calling on "Gay Twitter" to do their marketing jobs for them.

**Make your voice heard! Tell us why you  
#DontStreamOnMax on June 3.**

As Pride flags are raised all around the world, we are targeting Max and its parent company WBD, calling out the hypocrisy of corporate pride in the face of LGBTQ+ erasure in Hollywood.

We are proudly flying our rainbow-colored pirate flags and making clear why we #DontStreamOnMax! 🗣️🏴‍☠️🏳️‍🌈🏳️‍⚧️
