- Express your disapproval of the cancellation without being aggressive—show your love for the show, make your story personal!
- Feel free to bring up more of MAX's bad decisions: other cancellations (Rap Sht, Julia, Scavengers Reign, etc.), fumbling the NBA deal, and shelving completed films.
- Try to call once a day! We want to flood them with calls.

Another noted that the recent cancellation of the hit series *Our Flag Means Death* had sparked their decision to leave Max, with plenty of others criticising the streaming service for not giving people enough content to justify the price increase.

## == Hope for OFMD ==

Our awesome crewmate [@sonnetforbonnet](#) shared this article from Metro regarding Netflix picking up an axed show with a 100% Rotten Tomatoes Rating. There's hope for Our Flag Means Death yet!

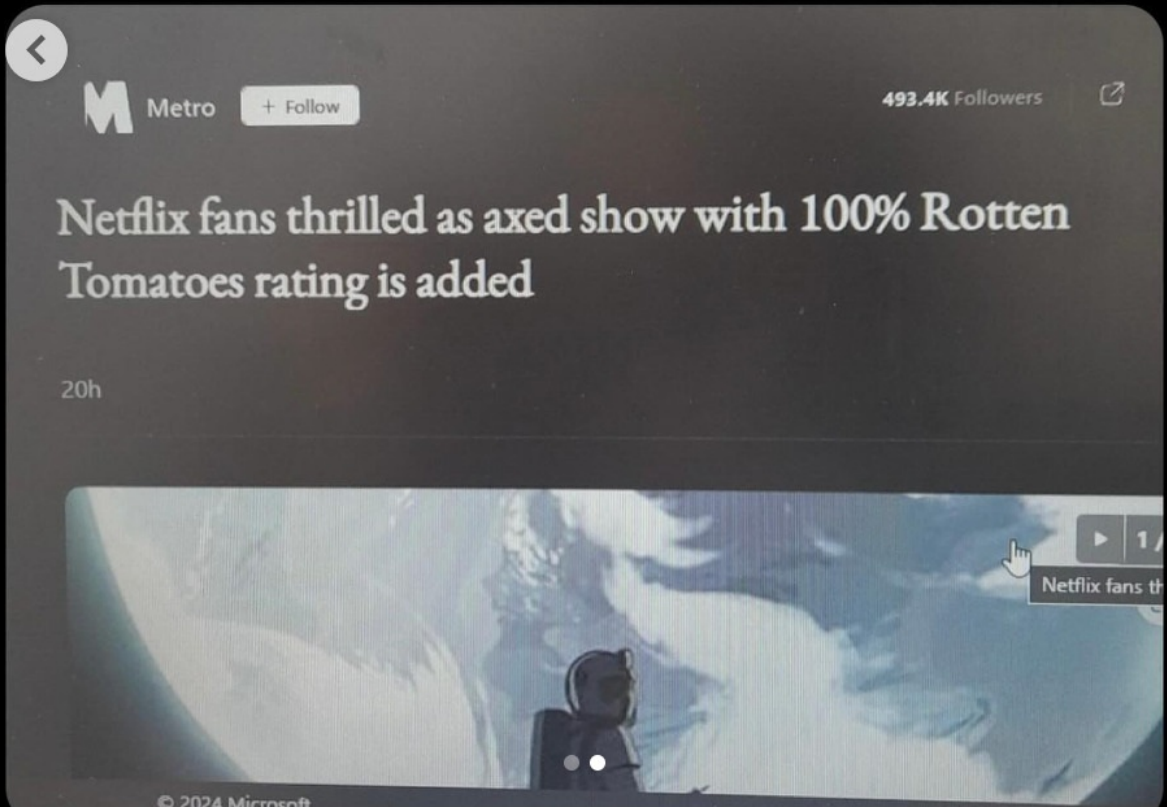

sonnetforbonnet · 13 h

Yep. That's right. M\*x axed it. It originally aired on M\*x, and it got almost 100% on Rotten Tomatoes, yet it STILL got axed. But luckily it's now been picked up by Netflix. A 2nd season for it is unclear though

I'm just hoping that [#OurFlagMeansDeath](#) has the same outcome 🙏
