How to enter the raffle

Step one: Pick your charity.

Pick any LGBTQ+ charity that you'd like to support!
We'll be spotlighting some throughout the month
in case you need some ideas!

Step two: Make your donation.

You can donate whatever amount you'd like,
but remember: One donation = one entry.
Any donation amount is ok!

Step three: Enter the raffle.

Got your donation? Great! The proof of that is going to act as your ticket.
Head over to the raffle entry form and fill it out.
Just add the proof of your donation and choose up to 5 prize drawings you'd like to enter!
Make sure to remove any identifying information before uploading your donation receipt!
