Crew, let's be extremely mindful of the Max posts we are commenting on! ☐

We need to celebrate properties like The Color Purple and others that actually DO represent people of color, indigenous peoples, and other underrepresented communities, not leaving negative comments.

☐ (Sound on for this one!)  
Thank you so much for your kind words about the fans and our efforts, Kristian. We want to thank you for the love and joy you've shared with us with #WeeJohnWondays every week. Your generosity inspired us to start a fundraiser for Team HAVEN in your honor, which got a huge boost from your mentioning it! ☐☐☐  
You and the crew put something beautiful into the world that is worth fighting for. The ad campaigns, and the fans' campaign overall, have simply been our way of returning the favor. The fight to #FinishOurStories is one that will never die. ☐  
We are in agreement with the sentiment "who knows what will happen?" The fans aren't going anywhere: we will continue to fight for queer voices, and we will be here as long as you'll have us. #LongLiveOFMD! ☐  
If you'd like to donate to the fundraiser, you can do so here! We're currently at 37% of our £5,000 goal. It runs until March 31. ☐
