Percival Everett's Novel 'James' To Hit the Big Screen With Taika Waititi In Talks To Direct

inforo_media Following the success of "American Fiction," Percival Everett's new adaptation "James" is coming to the big screen, with Universal Pictures securing the rights. If negotiations succeed, Taika Waititi will direct, with Everett adapting the screenplay and Steven Spielberg producing through Amblin Partners. Our dear Hugo Pierre Martin has a new audio series on Spotify! He asked for some help from the pirate crew to check out the new audio series and he'd share some anecdotes from the set of OFMD! There were lots -- so I tried to make a screenshot of all together-- (not sure where #3 is?- couldn't find it on the thread).

hey #OFMD folx? ☠️

Can I get a "yeah" or RT of my #vampire #pirate audioseries? (It's really about recovering from trauma)

For all the "Yeahs" I will reply with a recollection of my 1 day of filming on #OFMD 🙌

1) Samson Kayo was the first to greet me with a huge smile on set. Genuinely warm and friendly energy. (main actors can sometimes ignore co-stars so it was nice, especially in covid-y times wearing weird masks)

Hugo Pierre Martin 🌟 @HugoPMartin · Jun 21

2) Taika was also producing so I didn't get to interact except when we were filming. At one point he told silently to move my mark, and I didn't quite understand at first, then realizing he was doing doubly duty. He's very silly when filming.

Hugo Pierre Martin 🌟 @HugoPMartin · Jun 21

I got to ride in the van back with Rhys (!) I sat in the back. He didn't have to but he turned back to me and asked/said " Good fun, ey?" I grinned in my big floury wig. Please adopt me Mr. Darby

Hugo Pierre Martin 🌟 @HugoPMartin · Jun 21

4) Rhys was having to learn a lot of lines, so in our "holding" i didn't get to chat, he was in his sides like a good student. He was more precise in the scene, whereas Taika was a silly billy.

Hugo Pierre Martin 🌟 @HugoPMartin · Jun 21

5) (?) The Giant Digital Screens that show the ocean etc are quite amazing. You really can lose yourself in them. The Revenge was off to the side in the studio hangar, in pieces I seem to remember. If I'd known I would have checked it out more, but pretty awesome craftsmen

Hugo Pierre Martin 🌟 @HugoPMartin · Jun 21

6) (I will run out of things to say at some point) The director Fernando Frias was kind when I added a "button" to the end of the scene (which was cut for good reason) where I count on my fingers like I lost track of how many I let in. That felt good.

Hugo Pierre Martin 🌟 @HugoPMartin · Jun 21

7) Under my wig I had hair almost down to my butt (Covid) which they were originally going to use, but then...wig. Hair and Make-up is always nice. They were no exception.

Hugo Pierre Martin 🌟 @HugoPMartin · Jun 21

(yay!) 8) (?) only other cast member I saw was Samba as I arrived and I told him like a nube how cool he looked in his costume. This was probably end of shooting. Didn't really get to chat as he was off somewhere. He has a cool vibe, def felt tall.

Hugo Pierre Martin 🍷 @HugoPMartin · Jun 21

Alison Jones did casting, but alas we'd transitioned to self-tape days. I auditioned for the other French guy whose tied to a post (Right?) I like to think the times I'd gone to Alison Jones' tiny casting office helped.

Hugo Pierre Martin 🍷 @HugoPMartin · Jun 21

There was that barrier thing with the posts and I knocked it over between or during a take (?) It's okay, this wasn't a set where you'd get in trouble. Pretty good vibes (not all film sets have good vibes)

Hugo Pierre Martin 🍷 @HugoPMartin · Jun 21

we didn't do that many takes. Just enough. Just enough to be loose.

Hugo Pierre Martin 🍷 @HugoPMartin · Jun 21

It was covid so unfortunately we didn't all eat lunch together, which is kind of sad, have to order something and then its brought to your honeywagon. Set food is usually quite good. I'm back east now and it hasn't been the same as in LA. (WEST SIDE!)

Hugo Pierre Martin 🍷 @HugoPMartin · Jun 21

Joel genuinely a sensitive and kind soul, not far from his character almost. Unless he was being method. We talked about LA. I think they were glad to take off soon for home.

Hugo Pierre Martin 🍷 @HugoPMartin · Jun 21

hell yah dracula emoji! Warner Brothers is my favorite lot (the lot not necessarily the company) One one side you get on there over a bridge almost like a moat, so its kind of grand. Also nerve-wracking.

Hugo Pierre Martin 🍷 @HugoPMartin · Jun 21

Finally at the end of the shoot, I engaged with Rhys and told him I was looking forward to his podcast. His eyes lit up! My mate Buttons! I think he might have said. I'd like to bottle Rhys Darby.

Hugo Pierre Martin 🍷 @HugoPMartin · Jun 21

I didn't get to say goodbye to Taika, as he was busy as all hell, but I walked past him on the way out, bumped his shoulder and said "Thanks dude" as we walked in opposite directions because I'm nothing if not professional, and oh so cool and casual...

Hugo Pierre Martin 🍷 @HugoPMartin · Jun 21

yes. I now have expended maybe all my anecdotes. The costume dept teased whether it was "Haughty Attendant" or "hotty Attendant" and I am old enough that I was grateful

More cast cards from our dear friend [@melvisik](#)! The first cast card is William Meny, one of the writers aka executive story editor! The next is Edward Fletcher! "The cuckolded spouse of Eugenia. He was one of the officers in Titanic (I think the one who hears about the iceberg from the lookouts) so *had* to include that."
