I ran out of image space last issue but I wanted to highlight some more fabulous work-- this time check out [@watercolourcritters](#) and their fun and adorable submissions for [@garlicsoupweek](#)! I absolutely adore the sweet tenderness in each drawing. The darling [@melvisik](#) gave us yet another fantastic crew member tonight, Nancy Hennah! She's also an "Emmy submission (Outstanding Period or Fantasy/Sci-Fi Make Up for Calypso's Birthday) P.S. Did not know she and Ra were married!" Also, thank you to [@xray-vex](#) for mentioning, she's the fantastic crew member that brought Ed's Tattoos to life!

== Loves Notes ==

Hey there lovelies. It's been a rough couple days for everyone, everyone I talk to is either not sleeping or having a bit of a rough time of it. Please remember to get some rest. Take a break, drink some water, step away from the computer, and go outside for a while. If you can, sit in the sun for a few minutes, take your shoes off and run them through some grass. Remember that the world is still turning, and it is lovely, and it is beautiful, and so are you.

Take care of yourselves lovelies <3
