▶ **Liliana: Date My Vico, First!**

Welcome to Date My Vico, First! Today, Vico is grabbing the episode by the balls and the ovaries! And Abuelita is getting a surprise. Is it a steaming hot plate of veggie lomo saltado, a day of peace and quiet...or is it three handsome men? We couldn't end this season without giving Abuelita a taste of her own medicine. On this episode, Vico sorts through three eligible bachelors as they each try for a tryst with our beloved Abuelita. The contestants prove they don't have two left feet by saying their smoothest pick up lines in honor of the most beautiful girl on the dance floor. Vico has some salacious cafecitos con Vico and listens to the contestant's best and worst dating advice—telenovela style of course. We hear Liliana's outrageous commentary along the way, and you already know she doesn't hold back. Will one of these contestants emerge as a potential husband number six? Or will Vico have to come back for another round of Date My Vico, First!
