== Love Notes ==

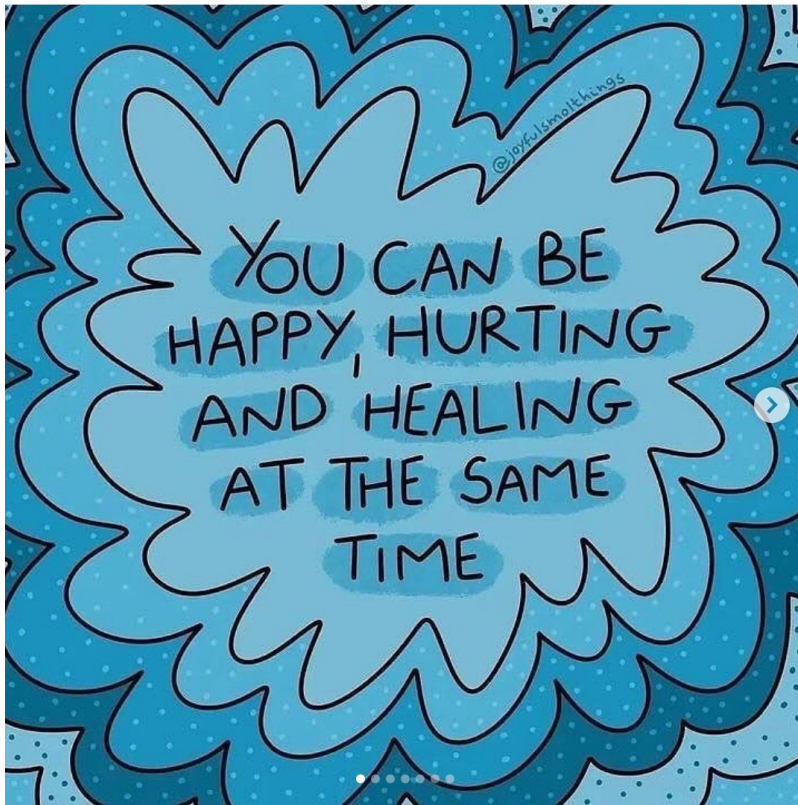

Hey there lovelies. Sorry for the delay over the last couple days. I've been dealing with some stuff at home. I've been thinking of you all and I know you're dealing with a lot. Remember that you are absolutely doing your best-- and things don't always go as planned. It doesn't make you any less amazing, or mean your efforts are for not. You're doing great, and things will get there in time. You got this <3

Sending some love from some folks at [bandaidforheart on instagram](#).
