== David Jenkins ==

David posed an interesting question to the gallery. (I know many weeks back someone was mentioning a similar thing being related to Non-Binary Folks, not sure if that was Chaos Dad's intent or not, but you can answer on Instagram if you'd like!)

Dad also reblogged the absolutely INSANELY talented [@blueberreads](#)' fabulous latest pixel video!

Tell Tale TV was at the panel and will be bringing some more news in the upcoming days!

The fabulous @/cecillusive on Twitter was kind enough to let me share their transcriptions of the panel! If you have access to twitter, you can see the [Full thread here](#).

First up, apparently audio captioning was displaying what was being said backstage!

Cast Entrance Video

The VIP section up front was empty, it was a 2500 ticket, and Con yelled 'FUCK OFF' at the price but they let more people in, and Vico waved at the row and said "this is the splash zone"

sea salt  @cecillusive · Jul 27

Nathan: [goes off about the cast hanging out and being friends]

Con: Nathan lives about 2 miles from me in London. He never responds to my texts, so everything he just said is wrong

Nathan: I'm busy

Con: fuck off

Nathan: I have a boyfriend

Kristian: where's your boyfriend from

sea salt  @cecillusive · Jul 27

Nathan: I prefer to hang out with you all when I'm being paid

sea salt 18 @cecillusive · Jul 27

First audience question was what they want the show's lasting legacy to be. Vico said "you guys", Nathan agreed, called us 'the world's most annoying fanbase', Kristian said the queer representation

Old man lounging

sea salt 18 @cecillusive · Jul 27

What would your character's favorite dessert be

Nathan: Something annoying. Panna cotta

Jim: some kind of sweet bread, cause Jim would be like, yeah that's dessert

Kristian: flambe

Con: izzy hands would be donuts...for multiple reasons

== Bronson Pinchot ==

sea salt 18 @cecillusive · Jul 27

Audience member: this question is for Vico
Con: [gets up and walks offstage]

sea salt 18 @cecillusive · Jul 27

Con, on how playing Izzy changed him as an actor: Being surrounded by so many funny people made me be better in that area. It made me be braver. It's rare you work in the company of actors who are so vibrant and on it.-

sea salt 18 @cecillusive · Jul 27

-You had to come in with your A game cause you didn't know what the fuck they were gonna say.

He then praised TealOranges and watching Vico and Samson work, said watching them made him think 'fuck I'm none of those things. But I rock a pair of leather pants'

Bronson is back with more Ned Low showing up in his Serge clips!

sea salt @cecillusive · Jul 27

Audience question: is a hot dog a sandwich?
Vico said yes but pointed out how confusing english is, Nathan said no and that we americans have crazy words for things, Con 'of course it's not a fucking sandwich', Kristian 'define a sandwich'

sea salt @cecillusive · Jul 27

Fan ideas they wanted to see
Vico: wanted to fight, more swordfighting
Kristian: explore the backstories of more characters
Nathan: I really hoped I was definitely alive, even though I'd been told i was

sea salt @cecillusive · Jul 27

Moderator asked if Nathan knew about Lucius surviving S1 the whole time and Nathan said:
We hadn't been given ep 10, and I was friends with some crew, who gets the script first, and got my grubby little mitts on it ahead of time, read how it ended and was like 'fuuuuuck'-

sea salt @cecillusive · Jul 27

-and spent two days filming thinking I was killed off, before Jenks got wind I found out and called me, but also asked how tf I found out 😊

sea salt @cecillusive · Jul 27

Q: An OFMD style historical show, what period would they like to do?
Vico: Mexican revolution
Kristian: egypt
Con: Cowboys. It was basically a western on the ship, but now with guns and horses and chaps...and Nathan's thighs in chaps
Nathan: is there anything with a bog

sea salt @cecillusive · Jul 27

Q was about Con playing Val, he called it "profoundly moving", said Val and Izzy would get on but Izzy would be terrified of Val

sea salt @cecillusive · Jul 27

Q: Favorite day to film

Vico: Calypso's birthday

Nathan: early scenes filming with Matt. ...Matt Maher, who plays Black Pete, I don't need to tell you that, you all know his social security by now
He's so remarkable and generous, and I ~love hiimmmm~

sea salt @cecillusive · Jul 27

Kristian: between seasons I saw where this show was going, and I knew djenks didn't know my repertoire, so I sent like 10 photos of me in drag.

So his answer was Calypso's birthday and he said it was especially lovely to work with Con for those parts

sea salt @cecillusive · Jul 27

Q: drag names for their characters

Nathan: I had one, do you guys remember?

Crowd: Miss Ing Toe!

Nathan: yep, that one

Kristian: my character has a real drag name

Nathan: what's wee John's drag name

Kristian: ...Calypso

Nathan: oh yeAH YEAH

Con: someone didn't watch the show-

sea salt @cecillusive · Jul 27

Nathan: [to con] I came up with one for you. Just Izzy with a question mark

Con: yeah, so just. Izzy?

Vico: Jim The Menace Jimenez

Adopt our crew spotlighted some quotes from the latest screenrant article that mentioned OFMD and there's some very interesting honk-inducing information in there. Thank you [@adoptourcrew](#) for keeping the honk going!

“... the door is open for this possibility in the future” 🙏🙏🙏🙏
thank you @screenrant for this amazing article!
Our makeup never came off and we'll never stop honking 🤪

Taika Waititi has created and produced some successful TV series in the past few years, including *What We Do In The Shadows* and the canceled-too-soon *Reservation Dogs*. However, though it's unlikely *Reservation Dogs* will come back anytime soon, it's possible that Waititi's project that he also starred in, *Our Flag Means Death*, could make a comeback. After its initial cancellation on Max, **the series was shopped to a few other streamers, but none picked it up at the time.** However, the door is open for this possibility in the future.

Our Flag Means Death is one of the best period romance TV shows of the 2020s, alongside iconic series like *Bridgerton* and *The Great*. Waititi's show stood out among the rest because of how dedicated it was to creating positive and relatable LGBTQ+ representation that was seamlessly worked into the story. **There is more interest in shows like *Our Flag Means Death* every day**, and if Waititi's latest project, *Time Bandits*, is a success, it could mean *Our Flag Means Death* could be reevaluated for additional seasons.
