## == Taika Waititi ==

Okay so I'm drastically late because yet again my life has become nutzoid, but Happy VERY belated birthday to the main man Taika Waititi! His birthday was August 16th, and he spent it with lots of friends and loved ones <3

Lots of videos! I couldn't include them all here, so you can see them all in one place on the Repo.

David shared a tattoo that one of our crewmates shared his way!

Since there was so much footage, I'm going to try and break this up into two parts so I can fit in some other news!

Our friends over at [@adoptourcrew](#) were kind enough to live tweet the panel, here's those tweets below:

Q: what has it been like to have the fans greet you and meet you?

Vico: it's so nice. A lot of you have come to LA to see the drag shows. It's been amazing.

Con: I had breakfast with a fan this morning. That's all I'm going to say. You know who you are...Can we just talk about Nathan's legs? I was wondering last night if he was going to get his thighs out today.

Nathan: it's been a beautiful weekend so far. The west coast for me...it's too hot here. I love English weather, I love the cold, I love rain. I have such a low tolerance for the dry heat. I'm having the time of my life but I'm too warm.

Q: For Vico and Kristian, what advice would you give to a young queer waif who is looking to get into drag?

V: Performing in drag is a celebration of the figuring-out process.

K: When you create a new character, don't forget to put a bit of yourself in there.

Q: For Nathan, regarding what I think is the most under-appreciated practical effect in S1 and 2, how did you get the shoe to fly off so perfectly?

N: If you think that was me, I hate to pull the curtain back babe. That is, what we call in the industry, a stunt double.

Crew

Kristian: Do you remember the scene we filmed that didn't make it into the show when you were peeing yourself?

Nathan: There were two cut scenes in the first season where Lucius was peeing himself.

**Adopt Our Crew | #AdoptOurCrew** @adoptourcrew · 22h

Con: is the next question about scat? Just asking for a friend.

**Adopt Our Crew | #AdoptOurCrew** @adoptourcrew · 22h

Q: As we know this show has so many iconic songs. Are there any songs you would have liked to see in S1 or S2?

Con on everyone singing The Chain before they came out: please don't do that again.

Nathan: Before we all die we're going to hear The Chain.

**Adopt Our Crew | #AdoptOurCrew** @adoptourcrew · 22h

Con: Elvis

Nathan: Something Ella Fitzgerald - something old and jazzy and bluesy

Con: The choices of song were genius throughout the 2 seasons. There was a genuine understanding of music from David Jenkins.

**Adopt Our Crew | #AdoptOurCrew** @adoptourcrew · 22h

Con: La Vie En Rose is a song I'd never thought Izzy would sing and now I can't imagine anything else.

Kristian: KD Lang

**Adopt Our Crew | #AdoptOurCrew** @adoptourcrew · 22h

Q: Now that OFMD is over (the audience moans)...

Con: What do you mean it's over?!

Q: I've got a red nose in my bag, I'm ready to honk.

Where can we expect to see you in the future?

**Adopt Our Crew | #AdoptOurCrew**

@adoptourcrew

Nathan has no idea who Hornigold is.

Q: if you went to the gravy basket, who is your character's gravy b guide?

Vico: Alfeo la Vaca - we will have a moment.

Kristian: Divine

Con: Alice Cooper

Nathan: Lucius is the Carrie Bradshaw of OFMD. So Carrie Bradsh

**Adopt Our Crew | #AdoptOurCrew** @adoptourcrew · 22h

Vico: A video game called Elder's Scrolls. I'm writing some stuff, it's happening.

Nathan: I'm in a video game but I can't say which one. I just filmed a project in the UK for the BBC, I'm writing something for the BBC, you'll see me around. I'm hanging around like a bad smell.

**Adopt Our Crew | #AdoptOurCrew** @adoptourcrew · 22h

Kristian: I've written a book and I've just done an audio series about Dungeons and Dragons.

Con: Porn. Old man porn. It's a niche market...I've got a couple of things, something for the BBC, something for HBO and a movie I'm not going to talk about.

**Adopt Our Crew | #AdoptOurCrew** @adoptourcrew · 21h

Q: For Nathan, what was your favorite scene to write for Newark, Newark?

Nathan: I really like the opening of episode 3! I think it's really good comedy writing and I'm really proud of it.

**Adopt Our Crew | #AdoptOurCrew** @adoptourcrew · 21h

Q: would all of you be interested in doing drag for charity?

A: yes, is that an offer?

Con: I'd love to do drag but I'd have to be led by Vico.

**Adopt Our Crew | #AdoptOurCrew** @adoptourcrew · 21h

Q: Any funny BTS that you haven't shared?

Kristian: when we were all captured in Spanish Jackie's cell, he's fed up with being a big guy and wanted to make dresses.

**Adopt Our Crew | #AdoptOurCrew** @adoptourcrew · 21h

Kristian: Stede was like, "we're going to have to ask you to be the big guy again." And I'd turn my head with a childlike huff and every time I turned around, Rhys would start laughing.

**Adopt Our Crew | #AdoptOurCrew** @adoptourcrew · 21h

Nathan: when Lucius and Black Pete are getting married and we kiss, they originally wanted me to dip Matt and kiss him. God love my sweet angel boy Matt Maher, he could not work out how to dip. I love Matthew Maher.

**Adopt Our Crew | #AdoptOurCrew** @adoptourcrew · 21h

Con: all of my scenes got in so...

**Adopt Our Crew | #AdoptOurCrew** @adoptourcrew · 21h

Con answering a question from a young child dressed as Izzy and everyone is 😂

Con: what do we want to say to calico Jack?

Con and the child: FUCK OFF!

**Adopt Our Crew | #AdoptOurCrew** @adoptourcrew · 21h

Con: that was the proudest moment of my life just now.

**Adopt Our Crew | #AdoptOurCrew** @adoptourcrew · 21h

Q: Kristian, can you tell us about Big John and for the others, is there anything that was lost from your characters?

A: Big John was my brother. Wee John was big and Big John was wee. There was a really wonderful wee actor from Ireland, but I can't remember his name.

**Adopt Our Crew | #AdoptOurCrew** @adoptourcrew · 21h

Q: Have you seen the TikTok edits?

Vico: yes, I have seen TikTok edits and I have friends that send me the TikTok edits.

Nathan: My nephew went through a phase of commenting on Lucius edits being like "that feeling when he's your uncle."

**Adopt Our Crew | #AdoptOurCrew** @adoptourcrew · 21h

Q: Do you have a process of getting into character?

Nathan: It takes me a few days.

Vico: Mads would make fun of me but I would shake it off and look dear.

Kristian: My prep. My prep. It's very different than other characters in my past because he's more like me.

**Adopt Our Crew | #AdoptOurCrew** @adoptourcrew · 21h

Con: By the end of S1, there's very little prep. It's about turning up and getting to work with wonderful people.

## == Samba Schutte ==

Samba met up with his first drama teacher and sent a lovely message!

My very first drama teacher, the man who gave me the confidence to give my dream a shot, who helped me believe that I have something to offer as an artist. I owe him a lot, the ground that helped my seeds grow into a garden, and an amazing human and humanitarian to boot. So lovely to see you again, my dear Eugene van Erven. Check out his books! 23 years and going♥☕☕

## == Love Notes ==

Okay Lovelies, apologies, gonna need to have the fan spotlights in the next post because there was just so much going on with the Cast and Crew these past few days! There's still more to show, and I'll work on getting tonight's recap up as well here in a little bit.

I truly hope you're being kind to yourself this weekend lovelies. It's been so busy lately, and I know sometimes life likes to pop up and kick us in the tush and make things harder -- so remember that you're doing the best you can with what you have.

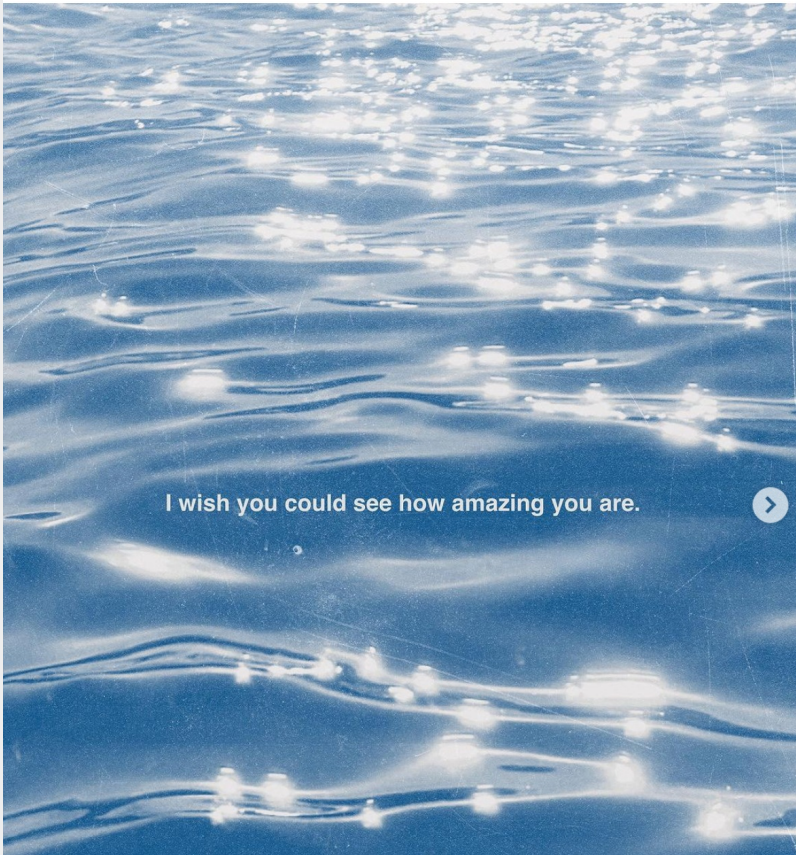

There's enough shame in this world, try to remember not to add to it for yourself, because you deserve grace, especially when things continue to be tough.

Sending so much love crew.
