### = BairNecessities =

Back again tonight is the kindest soul, Mik, aka bairnecessities! Her OFMD Affirmation cards continue to make me smile every time I look at them!

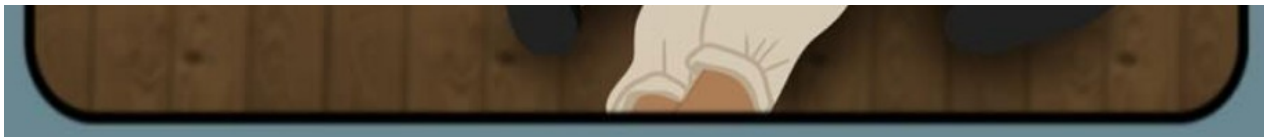

Did any of you get to stop by her table this past weekend at GalaxyCon San Jose? If you didn't get to you can check out her shop/follow her on the various socials here: [Instagram](#) / [Twitter](#) / [Linktr.ee](#) / [Etsy](#)

First up is probably my favorite card from her S2 Deck:

# I CAN CHOOSE MY FAMILY

The next two are from her secondary character expansion! I adore that we get Alma and Louis in there, and even Doug NoLastName and Jeffrey Fettering get a spotlight with wonderful messages for all of us!

Mik does other series too aside from OFMD (like Good Omens, and Helluva Boss!) You can check them out on her instagram below!

## == Love Notes ==

Hey there lovelies, I hope your Monday started your week off well <3 As I'm sitting here typing this I have my son asleep under one arm, so I apologize if this is a bit scattered.

I saw this infographic today and it made me think of you all. I don't know about you, but I spent a lot of my life thinking I had to do everything, excel at everything, have all the money, and the car, and the house, and the kids, etc.

But you know what? Life isn't about having everything. It's about finding the things you love and matter most to you and focusing on them. The things that matter most to me will absolutely be different from everyone else (we may share some of the same) but no two people are exactly the same when it comes to interests, and that's beautiful.

Dig deep into the things you love crew, and remember you don't have to feel any shame for the things that mean the most to you. Do you like video games? Or Ornithology? How about fanfiction? Or maybe Indy 500 races? Do you find joy when you're alone in the woods? Or sitting out with friends at a bar? Do you enjoy being alone? Or maybe you love to sing your heart out at karaoke?

Whatever it is you love-- embrace it, whether it's "Weird" by someone else's standards or not. If it makes you smile, if it makes you enjoy your time on this little blue dot-- dive in lovelies, with no regrets

I so very hope that even if it's only little bits at a time this week you get to spend doing the things you love, whatever that may be.

Rest well and drink some water tonight <3 Love you crew
